## **Dormitory Handbook**

**2024 - 2025**

Greetings & Welcome!

I would like to take the opportunity to officially welcome you to dormitory life at Arlington Baptist University. I would also like to personally applaud you for making the decision to enrich your lives through the vehicle of education.

For some of you, this may be your first experience with living in a dorm on campus. As a result, you may find navigating the dormitory life somewhat intimidating. In an effort to alleviate some of these very real concerns, this handbook is designed to provide you with the essential information you will need to enjoy a successful dorm life experience. In addition, both boys' and girls' dorms are staffed with Dormitory Supervisors and Resident Assistants who will be available to acquaint you with policies and procedures, guidelines for dormitory living, and serve as your mentor and advocate responsible for the welfare, social, and spiritual life of dorm students.

Finally, dorm life can be extremely beneficial as you will begin to develop a community of life-long friendships that will prayerfully reinforce your desire to lead a life that reflects your love for Christ.

I invite you to enjoy a new experience as you become familiar with ABU dormitory life, and I pray that your stay will be enjoyable and most importantly advantageous to your spiritual growth and development resulting in a deeper love for and commitment to Christ.

With kindest regards and blessings,

Peggy Smith  
Dean of Students  
VP of Student Affairs

# DORMITORY LIFE

Dormitory life is generally based on the concept of community, in which a group of individuals with shared values live in proximity and interact with each other daily. At Arlington Baptist University, our dormitory life is based upon Christian principles. ABU holds high standards of morality, ethics, and practice based upon Biblical principles. The dorms fall under the Office of Student Affairs.

## UNIVERSITY OVERVIEW

We have a responsibility for every student's welfare, safety, and spiritual wellbeing as well as the integrity of Arlington Baptist University as an institution established by God for God's glory.

You may not agree with the standards by which we operate. However, as a student, it is expected that you will so order your conduct to be consistent with these guidelines. The life of a disciple of Christ is a disciplined life. Learning to discipline your life to high standards will bring long-term benefit to you and those around you.

## UNIVERSITY MISSION STATEMENT

Arlington Baptist University exists to engage, equip, and empower authentic Biblical Christ-followers.

## UNIVERSITY PHILOSOPHY

Shaped by its Baptist heritage, Arlington Baptist University stands on the conviction that thorough preparation in the Word of God best equips an individual for a useful career and responsible citizenship. Education at Arlington Baptist University centers on a Christian worldview; as the Bible teaches, the world and men are direct creations of God, and that man is responsible to God. Learning and faith are integrated in all University programs to provide a balanced educational experience.

This experience is based on an acquaintance with the life of Jesus Christ and an emphasis on practical service. Programs are characterized by academic excellence and personal discipline. A student's personal life and performance concern the faculty as much as training of the mind. All phases of University life are devoted to building Christian character into the life of each student.

## DORMITORY OBJECTIVES

- To provide a distinctively Christian residential environment that supports and encourages academic achievement and individual maturity.
- To create a home-like atmosphere that will personalize, as much as possible, the opportunities offered at the University.
- To provide opportunity to engage in activities that will contribute to the spiritual, academic, cultural, social, and physical development of the residents.
- To cultivate a better understanding of democracy, which helps the student to:
  - Learn leadership skills.
  - Cooperate with others.
  - Respect the rights of others.
  - Learn to Biblically submit to authority.

- To encourage companionship and fellowship among students.

## DORMITORY SUPERVISORS

Each dormitory has a designated supervisor. The supervisor is dedicated to the care and welfare of the residents of the dormitory. The spiritual and devotional life of the dormitory is a primary responsibility of the supervisor. Another major concern is the conduct and behavior of the residents and the disciplines that pertain to personal responsibilities in a community environment. The Dormitory Supervisor (Dorm Parent) will recommend disciplinary action to the Dean of Students when the conduct and/or behavior of a dorm resident indicates such action is necessary and contact the VP of Intercollegiate Athletics when resident is an athlete.

Arlington Baptist University is blessed to have Dormitory Supervisors living on premises.

Therefore, dormitory residents are reminded to honor and respect the dormitory supervision that God has supplied in the person of the Dorm Supervisors (Hebrews 13:17; 1 Peter 2:13). There should never be any form of intimidation, verbal abuse, or threat made directly or indirectly to a Dormitory Supervisor, Resident Assistant, or member of his/her family.

### Dorm Supervisors' Duties & Responsibilities

- Hire and train all Resident Assistants (RAs) who receive a nominal scholarship for functioning as an RA.
- Promote a positive and safe atmosphere space for all dorm students.
- Upon new students' arrival go through the housing check-in list with each resident.
- Upon check-out re-check the room with the student resident present. Collect keys and any ABU assigned items.
- Schedule and conduct a mandatory dorm orientation meeting covering the dorm rules from the Dorm Handbook.

- Enforce visitor hours.
- Enforce quiet hours. This includes doing daily (and nightly checks) of the dorm rooms.
- Instruct the RAs on essential disciplinary issues that can arise throughout a semester.
- Communicate the disciplinary process to dorm students.
- Responsible for Emergency Preparedness for the dorm students: schedule, conduct, and document fire/tornado/active shooter drill each semester. Initial drills should be completed withing 30 days of move-in.

## DORMITORY RESIDENT ASSISTANTS

In addition to a Dormitory Supervisor, each dorm is staffed with Resident Assistants (RAs). The RA is responsible for assisting the Dorm Supervisor with providing students with a safe, clean and structured living environment that fosters student retention, satisfaction, achievement and success.

## RA ESSENTIAL DUTIES & RESPONSIBILITIES

- Coordinate and communicate any concerns and issues with Dorm Supervisors and Campus Security.
- Assist with conducting dorm meetings as necessary (at a minimum, once a semester).  
Assist with scheduled cleaning of the common areas in the dorm, including common bathrooms.
- Assist with enforcing all rules of the dormitory as listed in the Dorm Handbook.

## SECURING A ROOM

The dormitories will have a scheduled move-in date for students typically at the beginning of each semester. Contact the University admissions office for the day and time schedule for your move-in.

Room assignments are made by the Dormitory Supervisor in coordination with the Admissions Office. (Admissions is typically only involved when a student requests to room with another student). BEFORE moving into the dormitory rooms, all students must take care of financial arrangements for dormitory residency as part of their admissions procedures. Students who have not been cleared through the Financial Aid Department may not be allowed to move into the dorm.

After receiving their dorm room assignments and room key, the Dormitory Supervisor/Resident Assistant and the student will complete a "Check-In" inventory of the room and its contents. The student will sign the "Check-In" inventory form acknowledging his/her responsibility for the condition of the room and contents until the time he/she vacates the room.

## RETURNING DORM STUDENTS

- Complete Your Returning Student Housing Application:
  - Fill out the Returning Student Housing Application which includes a meal plan.
- Choose Your Roommates:
  - When identifying a roommate, keep in mind that roommate pairings are only finalized when all parties involved accept the requests. All pairings must be mutually agreed upon. It's the student's responsibility to find and select their roommates before the room selection process begins. Any conflicts within pairings should be resolved before the move-in date, as groups with unresolved conflicts may not be eligible to participate in room selection.

## GENERAL POLICY FOR SUMMER DORMITORY RESIDENCY

**NOTE:** *The University Reserves the right to modify this policy as needed and any revisions will be printed and distributed or emailed to residents.*

**The Dormitories of the Arlington Baptist University are intended for the use of enrolled students.** This provides a means of housing for our single students while they are here actively pursuing their education at ABU. The dormitories are a part of our Christian academic environment for young men and women who are enrolled as students at ABU.

**You are encouraged to enroll in the Summer program** so you can follow your curriculum plan as recommended by the Registrar. Enrolling in the Summer program allows you to improve your GPA and take a lighter class load during the Fall or Spring semesters. Note that Summer enrollment includes classroom, independent studies, directed studies, or the online curriculum. Dorm residents must pre-enroll for the summer session before 12:00 noon on the last day of the Spring semester.

Individual financial information regarding student loans, enrollment fees, tuition, and room/board is available in the Business Office.

See the Business Office, for payment policy of dormitory rent for the summer.

**NOTE:** The University reserves the right to assign resident summer students to different dorm rooms consistent with the existing occupancy policy. Understand that you will probably re-locate to another room as necessary at the discretion of the Dormitory Supervisor or RA.

If you choose NOT to enroll in ABU's Summer program, you need to be aware of the following moving instructions:

**Students not enrolled in the summer session will need to vacate their dorm rooms and remove their property.**

**NOTE:** Student property not removed will be disposed of; the University is not financially responsible for items left in rooms. There are store closets available for students returning in the fall. See Dorm Supervisors for dates of availability.

## DORMITORY ROOM FEES

Students living in the dormitory are leasing a room for a period of 18 weeks during the regular session/semester. During non-session periods, rooms are rented by the week (\$25 per day) payable in advance. Summer session students may lease a room according to a current lease agreement with the Business Office. There is a \$500.00 non-refundable maintenance fee along with any applicable room damage fees that are assessed to each dorm student.

If a dorm student withdraws from ABU, the dormitory Room & Board fee will be pro-rated effective to the official date of moving out of the dormitory up to the 60% mark of the semester, plus a \$500 termination fee will be charged to the student's account. After the 60% mark of the semester, the dormitory Room & Board fee will be fully earned and non-refundable, and the \$500 termination fee will be charged to the student's account effective the day the student moves out of the dormitory and follows the move out procedures.

Current or returning students to school will have priority of room requests and roommates. Requests concerning roommates are honored, when possible, on mutual request. It is assumed that you will accept the roommate assigned.

Dorm students must enroll for a minimum of two semester hours to maintain the privilege of residency in the dorm. Married students and divorced students will not be permitted to live in the dormitory.

## OFF CAMPUS HOUSING POLICY

Students who are not living at home with parents, grandparents, or legal guardian MAY REQUEST permission to live off campus if one or more of the following requirements are met:

- A. Must be of at least Junior status.
- B. Must be at least 21 years of age.
- C. Married.
- D. If any of the above criteria are NOT MET, the student's request will only be considered if the dorms are above full capacity.
- E. Must complete and submit a campus housing waiver application signed by the student, parent, or guardian seeking permission for the student to live off campus.
- F. The campus housing waiver MUST be submitted to VP of Student Affairs BEFORE any lease or like arrangement is made by the student.

If the request is made by a student who does not meet the above criteria and will not be living at their permanent home address, they will be required to pay a \$500 waiver fee for each semester they choose to live off campus, which will be billed to their account.

\*Request for permission to live off campus should be submitted to Vice-President of Student Affairs before any lease or like arrangement is made by the student. A decision on the request will be made in a prompt manner by the VP of Student Affairs.

## WHAT TO BRING

Each student provides his/her own linens and toilet articles. The rooms are well furnished so that students do not need to bring extra furniture. The furnishings that are in the room at move-in are not to be removed from the room. No sofas, no large chairs, no beds, no large desks may be brought in. Pathways to exit doors must be easily accessible in case of fire or another emergency.

Students are permitted to bring in irons, radios, stereos, TV's and accessories such as DVD players and video game-players. However, if the Dormitory Supervisor feels that these appliances/accessories deter study or create a problem of noise, the Dormitory Supervisor has the authority to have the student remove the item(s) from the room and place them in storage until the end of the semester.

A University size refrigerator (not full size), microwave, and appliances that have no exposed heating elements are permitted in the room for heating up food. By order of the Fire Marshall, there will be no cooking in the rooms using appliances with open heating elements (toaster ovens, etc.). All appliances must be approved by the Dormitory Supervisor. The Dormitory Supervisor has the authority to veto any appliance and order it removed.

Personal computers and accessories may be brought into the rooms. Only small compact computer/printer stands may be brought in if needed. Students are strongly encouraged to purchase renter’s insurance to protect/cover their personal property in the event of theft or damage.

Computers are an excellent tool for education and the University offers wireless internet access in the dorms and library. The ABU library has computers available for word processing and internet use during library hours. In addition, the library has laptops that can be checked out by students for a week at a time.

The dormitory has a laundry room equipped with washers and dryers.

ROOM KEY

If a student loses his/her room key, it should be reported to the Dormitory Supervisor immediately. There is a \$25 fee for a lost key replacement.

ROOM CHANGE POLICY

Rooms are assigned for the entire semester. Changes will be considered only in exceptional cases. There will be no room changes without the mutual consent of the Dormitory Supervisor and the Dean of Students.

ROOM FURNITURE

Furniture must not be dismantled, adjusted, or removed from any dormitory room at any time except for official repairs by ABU staff. No furniture is to be removed or taken apart, even if there is only one student in a double/triple room. Safety is an issue when modifying or dismantling furniture. Moving furniture from room to room makes it impossible to maintain the inventories required by auditors and municipal ordinances.

All personal furniture must be inspected and approved by the Dormitory Supervisor before placement in the dorm room. The Dormitory Supervisor will consult with the Dean of Students if there are any questions about an item of furniture.

All personal furniture must be removed, discarded, or taken home at the close of the school year. (See Checking Out of the Dormitory)

## DORMITORY ROOM CARE

A friend is one of life's greatest possessions. It is important to treat your roommate with understanding, patience, and kindness.

*Luke 6:31(KJV) - And as ye would that men should do to you, do ye also to them likewise.*

*Luke 6:31 (NLT) - Do to others as you would like them to do to you.*

Taking care of your dormitory room is essential to a happy dormitory life experience. Here are some suggestions:

- Each student is responsible for his/her portion of the dormitory room. The Dormitory Supervisor or the RA will inspect rooms regularly.
- Never place room trash in the halls or lobby areas. All room trash must be placed in the outside dumpsters located in the rear of the dorm buildings.
- Empty or partially empty cans, bottles, potato chips, cookies, etc. must not be kept out in dormitory rooms. One person can cause the infestation of insects and rodents in a suite or hall.
- All soiled/dirty clothing should be placed in a laundry bag or other appropriate container and be washed as soon as possible. Clothing should never be thrown on the floor or strewn around the room on furniture or hanging on doorknobs. Bed linens, towels and other personal items should be laundered weekly. The dormitory has washers and dryers for your convenience. Please be aware that body odors on clothing in a closet will transfer to your clean clothing and carpet leaving unpleasant offensive odors. Remember that not everyone can afford expensive clothes, but everyone can afford to be clean.
- For personal health and dormitory sanitation reasons, opened food items should not be kept outside a refrigerator (only mini refrigerators allowed in dorm rooms).
- Food or drink stains should be cleaned up properly and immediately.

## ROOM CHECKS

Room Checks will be performed weekly by the resident's Resident Assistant. The criteria and dates will be determined by RA's. Your room will be judged by the following criteria:

- Mirrors
- Showers
- Toilets
- Sinks
- Swept floors
- Mopped floors

## ROOM ENTRY

Authorized personnel of the Arlington Baptist University reserve the right to enter student rooms at any time for the purpose of repair, inspection for health, safety, or violation of University regulations. Exercise of this right will be used with restraint. The Dean of Students reserves the right to determine who is authorized personnel.

## OVERNIGHT GUESTS

Students are allowed to have a guest in their room for no more than 3 consecutive nights for a \$15 charge per night (As a courtesy, a parent/guardian or sibling of the same gender may stay at no charge). Students will not be allowed to EVER have guests of the opposite sex in their rooms. In addition, students will not be allowed to have guests of the same sex sleep in the same bed. When planning to have an overnight guest, the student host is responsible to complete an Overnight Guest form and submit it to the Dormitory Supervisor for approval and then payment must be made in the Business Office for the entire length of stay. If the Business Office is closed, payment must be made to the Dormitory Supervisor who will forward it to the Business Office. Approval and payment must be made prior to the guest's arrival. A student who allows a guest to stay overnight without approval will incur a \$50 fine and will be written up for violating policy. A student who allows a guest of the opposite sex to stay overnight will incur a \$100 fine and will be written up for violating policy and may be subject to being removed from the dorm. Dormitory guests are expected to observe all dormitory rules. The host student is responsible for the actions and behavior of his/her guests.

## CURFEW AND LATE ARRIVALS

Dormitory residents are required to return to their respective dorms by 12:00 a.m. Monday-Sunday.

\*Curfew Disclaimer: Curfew privilege can be lost if a student is placed on Disciplinary Probation.

Students who are out of the dorm beyond the curfew are counted as late and are subject to discipline. Dorm residents returning to campus after curfew hours must present a valid ABU student photo identification Alta (formerly OpenPath), indicating they live on campus, to be admitted to the campus. Unauthorized entrance to or exit from a secure dormitory is a violation of Dormitory Life policies. All other campus buildings not being used for educational or fitness/athletic purposes are secured at 11:30 p.m. each evening and remain secured until 5:30 a.m. Access to these buildings during non-business hours is available only to authorized ABU employees who provide valid ABU identification.

To avoid disciplinary action, all after curfew arrivals must be pre-approved by the Dormitory Supervisor or RA. However, repeat violators will be subject to disciplinary actions.

Security officers are on duty 6:00 pm – 6:00 am, Monday – Sunday and will enforce curfew. Should the student arrive after curfew (12:00 am), the student must call security at (682) 326-7272 to let them in the gate and dorm. After curfew the dormitories are secured and locked to prevent entry from outside. The exit doors can be opened from the inside in case of emergency. To open a dormitory exit door after curfew, except in a true emergency is considered a serious offence and the student subject to discipline. Exterior doors should never be **propped** open for re-entry. Security cameras record activity in the halls and entry areas to provide additional safety for dormitory residents.

After curfew, the entry gates are closed to further protect students and property and to provide a safe campus environment. **Dormitory Supervisors should be informed immediately if a student goes to an emergency clinic or hospital** (this includes waking them up during the night before exiting the dorm). Dorm Supervisors should maintain a log of all such incidents.

## UNIVERSITY DISCIPLINARY PROCEDURES

### PURPOSE

The purpose of discipline is to assist students in modifying their attitudes and behavior. Students must learn to take greater responsibility for their actions and be willing to accept the consequences for their choices. I Thess 5:22; I Tim 4:12

It is also appropriate for other believers to help restore a disobedient brother so he can be a vital part of a spiritually functioning community. Occasionally, to keep students from injuring themselves or possibly hurting others, a fellow student has a moral and ethical responsibility to report inappropriate behavior to proper authority. Such action is not viewed in God's word as improper, but rather God uses properly ordained authority as an instrument of working His will in the lives of His children. Matt 18:12-17; Gal 6:1-2

If you witness any illegal/unethical behavior (harassment, abusive, drugs) please report it.  
Anonymous Reporting of campus or off-campus incidents is your right by Texas State Law.  
To report an incident, go to: [www.abu.edu/campus-security](http://www.abu.edu/campus-security)

### CAMPUS DISCIPLINE

To accomplish these disciplinary goals, one or more of the following actions may be used, or a different one that is deemed appropriate particularly for an egregious violation that may include up to and including dismissal from ABU:

Students will be disciplined for committing any of the following:

- Violation of the policies set forth in the Student Handbook
- Violation of the dress code
- Violation of dormitory rules
- Disrespect toward professors, administrators, staff, dormitory supervisors, maintenance, and food service staff

The disciplinary process for student violations involves the following:

- 1st Violation: E-mail Warning
- 2nd Violation: \$25 fine and Formal Write-up
- 3rd Violation: \$50 Fine and Suspension from all activities (games, practices, student life activities)
- 4th Violation: \$50 Fine and Possible Dismissal or may be required to move out of the dorm
- \*If the violation is egregious, the student may be required to move out of the dorm

### SERVICES PROVIDED BY UNIVERSITY CAMPUS SECURITY

- Patrol the campus to detect and deter crime.
- Upon request, escort people who are walking on campus, particularly during the hours of darkness.
- Provide crime prevention information including relationship violence, safety awareness, and personal safety.
- Report and investigate criminal offenses and incidents.
- Secure campus buildings and gates.

- Conduct regular assessments of campus facilities.
- Monitor University entrances, particularly during the hours of darkness.
- Check all student IDs in Alta Open (formerly OpenPath) when entering the campus after curfew.
- Report all curfew violators.
- Distribute parking tickets for students parking in the Administration or Cafeteria parking lots.
- Students who work late must complete the appropriate form requesting permission to arrive after curfew and submit the form to their Dorm Supervisor, the Director of Campus Operations, and the Dean of Students. Each case will be considered individually.

## PETS

Dormitory students are not allowed to keep pets (animals, reptiles, fish, etc.) in the residence halls. The student will be given 24 hours to remove the pet from the dormitory. Having a pet in a dorm room will result in disciplinary action against the student. A pet is any animal that is not classified as an Emotional Support or Service Animal.

## EMOTIONAL SUPPORT ANIMALS (ESA)

All Emotion Support Animals must be registered with and approved by the Student Affairs Office before the student will be allowed to bring an emotional support animal to campus or the dormitory.

An “Emotional Support Animal” (ESA) is defined as an animal that provides emotional support, well-being, comfort, or companionship and that a health care provider has recommended as accommodation for a student with a disability. “Person with a disability” or “Owner” means a person who has a physical or mental impairment which substantially limits one or more major life activities; who has a record of such impairment; or who is regarded as having such an impairment on file with the Student Affairs Office.

Emotional Support Animals may not be brought into the dorm without approval from the Dean of Students or the Campus Operations Director. Generally, the presence of emotional support animals is approved for the dormitory only and will not be permitted in other campus buildings (e.g., administration buildings, libraries, academic buildings, classrooms, chapel, gym, student union building, etc.).

A student requesting permission to keep an emotional support animal in the dorms must complete the required application process before the ESA will be allowed to stay in the dorm.

The student must complete a “Disclosure of Disability” form to initiate the request for the student to have an ESA in the dorm. All forms can be obtained from and returned to the Office of Student Affairs which will allow a member of the Student Affairs team to personally meet with the student to discuss the request.

The student must provide current documentation of the disability from a physician, psychiatrist, or therapist. The documentation should include:

- Verification of a disability that requires the support of an ESA.
- A description of why the animal is necessary for the student to use or enjoy the living arrangements provided by the University.
- An identifiable relationship between the disability and the support the animal provides.

- If and/or when the request is approved, the student will be required to complete and submit the following forms:
  - Emotional Support Animal Agreement Form
  - Emotional Support Animal Registration Form
  - Roommate Acknowledgement Form
  - Provide updated ESA vaccination record(s)
  - Contact information for an alternate caregiver who lives off campus and can care for the animal whenever the student expects to leave campus for more than 8 hours.

ABU will not assume responsibility/liability for the care of the student's ESA. Therefore, the student is strongly encouraged to have appropriate liability insurance in the event of an animal bite, scratch, etc. Students should allow a minimum of 4 weeks for the review process to be completed. Students must reapply each academic year for approval to have an emotional support animal in the dorms.

## REQUIREMENTS

- ESA's must not be aggressive (biting/attacking) and limited in size and weight to no more than 25 lbs.
- The student will be required to clean up after and properly dispose of the animal's waste in a safe and sanitary manner.
- The student must ensure that the animal is well cared for at all times. Any evidence of mistreatment or abuse may result in immediate removal of the ESA and/or discipline for the student.
- The student will be required to remove the ESA if it poses a threat to the safety or health of our students, is a repeated nuisance (excessive barking), is not housebroken or litterbox trained, and is found in an unauthorized building.
- The ESA will not be allowed to be in another student's dorm room. It will not be allowed outside of the student's dorm room or the common area.
- All ESAs must be crated or caged in the student's dorm whenever the student is not present in the room.
- ABU staff (Dorm Supervisors/RAs, etc.) will not be required to remove the ESA during emergency evacuations.
- Any cost for the actions of the ESA – including bodily injury, property damage, pest control and/or non-standard cleaning – must be met by the student. ABU reserves the right to bill the student's account for charges related to the ESA.
- An ESA will not be allowed to remain on campus if it poses an undue financial and administrative hardship to ABU or if the ESA causes any violations listed above. The student will have 48 hours to remove the animal from campus. If the ESA is not removed from campus due to violating any of the above policies, the student may be subject to disciplinary actions up to and including dismissal from ABU.

## SERVICE ANIMALS (SA)

According to the Americans with Disabilities Act (ADA), a service animal is defined as:

“Any animal individually trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals to an impending seizure or protecting individuals during one, alerting individuals who are hearing impaired to intruders, or pulling a wheelchair and fetching dropped items.”

Texas law parallels the ADA with rights and protections for assistance animals. Texas law provides that assistance animals must be trained by organizations that generally are recognized as reputable and competent by agencies involved in the rehabilitation of people with disabilities.

## REQUIREMENTS

- Dogs must be licensed in accordance with city regulations and wear a valid vaccination tag.
- Any other animals that are trained for service to a person with a disability must have vaccinations appropriate for that type of animal.
- Animals must be in good health.
- Any service animals occupying University housing must have an annual clean bill of health from a licensed veterinarian.
- Animals must be always on a leash.
- The owner of the service animal must always be in full control of the animal.
- The owner is responsible for appropriate waste clean-up and overall cleanliness of the animal.
- The service animal owner is responsible for the appropriate management of his or her animal in all University facilities. Disruptive and/or aggressive behavior on the part of the animal may result in the owner being asked to remove the animal from University facilities.

The ADA does not require service animals to be registered with the ARC or other agencies/organizations. In situations where it is not obvious that the animal is a service animal, staff may ask only two specific questions:

- Is the animal a service animal required because of a disability?
- What work or task has the animal been trained to perform?

ABU staff are not permitted to request any documentation for the service animal, require that the service animal demonstrate its task, or inquire about the nature of the person's disability.

A student with a disability who uses a service animal and who resides in campus-owned housing is required to alert the Dorm Supervisor and the Dean of Students of the animal's status.

## MOVING OUT OF YOUR DORMITORY ROOM

When moving from the dormitory or changing rooms, the dormitory resident must:

Remove all personal property from the room.

Clean the room thoroughly and notify the Dormitory Supervisor or the RA that the room is ready for inspection. NOTE: Failure to clean the room or failure to notify and get clearance from the Dormitory Supervisor or RA will result in the student being assessed an additional fee.

The student and the Dormitory Supervisor or the RA will inventory the room, making note of the condition of each item on the Check-Out form.

After the inventory is completed, the student will sign the Check-Out form and give his/her room key to the Dormitory Supervisor. The Dormitory Supervisor will take the Check-Out form to the Dean of Students who will communicate the need to deactivate the students' access to Alta (formerly OpenPath). If Check-Out procedures have been followed and the room is in satisfactory condition, the student will not incur additional fees. However, if damage has been assessed, the student will be responsible for paying the corresponding fee associated with the damage (see Check-Out form).

Any student who ceases to be enrolled in the academic programs of the University must move out of the dormitory immediately. Students may continue to pay rent and stay in the dormitories between semesters if the student confers with the Registrar and pre-enrolls for the following semester. Graduates who have fulfilled all academic requirements should move out of the dormitory within 7 days of graduation. Athletes may remain in dorms past semester ending during regionals and nationals.

## RESPONSIBILITY FOR UNIVERSITY PROPERTY

The occupants of dormitory rooms are responsible for the furniture and equipment in the room assigned to them. Any loss or damage sustained in the room will be charged against the occupant(s) unless another person is positively identified as the one doing the damage.

The student resident must not make any permanent changes to the dormitory room or building. Permanent changes include: Painting, color markers, contact paper, and holes in walls/ceilings/floors. The use of nails, screws, hooks, paste/glue, pins, tape, and stickers will deface the walls and doors and necessitate costly repairs that will be charged to the student. Hangers that are designed for easy removal without damage to walls and products such as "Plastic-Tak", Command Strips "Fun-Tak" are the only substances to be used to hang decorations in dorm rooms. See the Campus Operations Director for approval of any material or substance that could cause possible damage maintenance problems.

Residents desiring to redecorate their rooms must first obtain clearance to do so from their Dormitory Supervisor. The general guideline is that the room be maintained and habitable for future occupants. Needed repairs should be brought to the attention of the Dormitory Supervisor immediately. The Dormitory Supervisor will submit a request through MaintainX an online maintenance application that is accessed and prioritized by the Director of Campus Operations and Maintenance Supervisor.

Lost property or damage should be reported to the Dormitory Supervisor within 24 hours of the occurrence.

General breakage or damage that is not charged to an individual or group of individuals will be prorated to all the students living in the dormitory.

## MAINTENANCE AND REPAIRS

The Maintenance Department is under the direct supervision of the Campus Operations Director. Maintenance staff are assigned to make repairs to residence halls and rooms. Students are not permitted to ask any member of the maintenance staff to do odd jobs for them.

## CUSTODIAL STAFF

Custodial staff are responsible for normal cleaning duties in public areas and public bathrooms. Residents are responsible for cleaning their own suite rooms and bathrooms, as well as dumping their personal trash in dumpsters located on campus. Resident Assistance are responsible for cleaning the common areas and for

ensuring that dorm rooms are appropriately cleaned by the residents. Maintenance of the residence halls for health and safety concerns is of high importance to ABU. Please contact your Dormitory Supervisor immediately to report repair or custodial concerns for your residence hall or individual suite room or bathroom. A work order will be submitted so that maintenance may be scheduled and completed.

## PROCEDURE FOR REQUESTING MAINTENANCE

If there are matters of maintenance that need attention the student/resident must inform the Dorm Supervisor who will be responsible for submitting a maintenance ticket to the Campus Operations Team.

**Note: Emergency repairs such as water leaks and electrical problems should be reported immediately.**

No unauthorized person shall use tools or equipment in any building or on campus without the permission of the Campus Operations Director. Students are not allowed to borrow any University equipment for personal use.

The Maintenance Manager, Safety, and Security and maintenance staff provide essential services to our campus. It is expected that all students will treat the maintenance staff with respect and appreciation.

## STUDENT DINING ROOM

Dormitory residents are entitled to 10 meals per week and will pay for their meal plan when registering for the semester or academic session. Non-resident students may purchase individual meals or a meal plan through the business office. Students dining in the SDR must follow the dress code and cannot park in the Administration or Cafeteria parking lots. Cafeteria service is not provided on the weekends.

Laundry rooms will be closed at curfew. Clothes must be removed from the machines by curfew. The owner of the clothing is responsible for any damage done to clothing left in the laundry room after curfew.

## MAIL

All resident students are assigned an individual mailbox for receiving mail. The mailboxes are located in the north entry of the Administration Building. Students may drop off out-going mail at the mailbox area for their

convenience. However, since the Administration Building closes at 4:00 pm on Monday – Thursday and at 2:00 pm on Fridays during the fall and spring semesters, students may not have access to large packages until the building reopens during regular business hours.

## MEDICAL CARE

The University has no hospital or physician. There are many good hospitals in the area. Students who become ill and need medical attention will be sent to an area hospital or clinic unless a parent/guardian instructs otherwise. The University is not responsible or liable for any medical expenses so incurred. **Dormitory Supervisors and the Dean of Students should be informed immediately if a student goes to an emergency clinic or hospital (this includes waking them up during the night before exiting the dorm).** Dorm Supervisors will maintain a log of all dorm related injuries.

## SOCIAL EVENTS

All social events must be scheduled by the Campus Pastor and the Director of Student Life through the office of the Dean of Students. For the event to be successful, it should be planned well in advance. Every social

event held on campus must have a faculty/staff representative approved by the Dean of Students. All social events must be placed on the University calendar maintained by the Campus Pastor and the Director of Student Life/Executive Assistant to the President.

For all social activities of the University, or group of students going out of town for any school function, there must be a school appointed sponsor or faculty member present.

## DATING

Campus life provides an excellent opportunity to develop relationships with the opposite sex. However, relationships often begin quickly and are based on external, physical factors leading to self-gratification rather than the building up of the other person. Therefore, we suggest that relationships develop slowly, placing priority on spiritual and social maturity, thus building a lasting friendship.

The following guidelines found in 1 Thessalonians 4:3-6 should be evident in dating practice as romantic relationships develop:

- *"For this is the will of God, even your sanctification, that ye should abstain from fornication" v.3*
- *"That every one of you should know how to possess his vessel in sanctification and honour;" v.4*

It is God's will for every Christian to be sanctified, avoiding sexual immorality, by learning to control his/her own body in a way that is holy and honorable. In application of these principles, displays of affection on campus are to be limited to hand holding or taking an escort's arm. Private displays of affection should follow Biblical principles of chastity and purity. Single students are not permitted to cohabitate on or off campus. (See 1 Thessalonians 5:22; 1 Peter 5:8)

## VISITING HOURS

Dormitory visiting hours are 12:00 p.m. (noon) until 12:00 am (curfew) Monday – Sunday. It is the student's responsibility to return to his/her dorm **15 minutes before curfew**. **Visitors of the opposite sex are allowed only in the lobby/common area; going beyond that boundary is a serious offense and will receive discipline.** The hallway between the lobby and the back hall is not a public visiting area. While visiting, couples are expected to conduct themselves honorably and to avoid the appearance of wrongdoing (such as covering up with a blanket or throw while sitting close together or laying together on couches). Lobby areas are to be well illuminated during visiting hours.

## ABU CAMPUS NETWORK POLICY

Usage of and access to Arlington Baptist University's IT resources entails certain expectations and responsibilities for students and guests. All on-campus students who access the internet must participate in the University's "filtered" network so that we can provide the advantages of the internet in a wholesome, honorable, and truly educational environment.

Users may not engage in unauthorized use of ABU IT resources, regardless of whether the resource used is securely protected against unauthorized use. This includes illegally torrenting/downloading music, movies, pictures, books, games etc., viewing pornography, or anything that would break the code of conduct and ethics required by an ABU student. Users are expected to respect the privacy of other users, even if the devices and systems by which other users access ABU's IT resources are not securely protected. This policy

also extends into the realm of online social networking. It is against ABU's network policy for a student to stalk, harass, or abuse another person via any social networking application.

Unauthorized use by a user of another user's personal identity or access (log-in) credentials is prohibited. In operating its IT environment, the University expects users to engage in "safe computing" practices, such as establishing appropriate access restrictions for their accounts, setting strong passwords, and guarding those passwords, keeping their personal operating systems and software applications up-to-date and patched, and employing security measures on their personal devices.

Use of ABU's IT resources is a privilege and not a right. A user's access to ABU's IT resources may be limited, suspended, or terminated if that user violates this policy. Alleged violations of this policy will be addressed by the Director of IT and the Office of Student Affairs.

Instructions for using and setting up a network account are available in the office of Campus Technology. Your school email is owned and maintained by ABU. Upon completion of your degree, expulsion, or in the event you stop your studies, your email will be disabled within one week. ABU maintains the right to access and search your email if merited and written approval by the Dean of Students.

Likewise, the internet is not to be the avenue in which one shares grievances with the school or its administration. As a student at Arlington Baptist University, you are expected to handle your internet privileges responsibly. Any threat or misuse of the University name and/or its administration could result in dismissal.

## VIDEO GAMES

Video games are permitted as long as they promote unity and fellowship among suite mates and other dorm residents. Each student should exercise discretion and avoid games promoting graphic violence, the occult, pornography, or behavior contrary to Biblical principles. Dormitory Supervisors have the authority to veto any system or game they do not consider conducive to community life. Dormitory Supervisors have the authority to limit game playing time for any student who is having academic difficulties or absence problems due to staying up late.

Video games and the internet can be addictive. Be aware of the dangers and take steps to safeguard your mind and your time. Apply the principles of Philippians 4:5-8.

## PRECAUTIONARY MEASURES

- Residents should not leave the dormitory after curfew without notifying the Dormitory Supervisor or the RA.
- Know your Dormitory Supervisor's and RA's phone number; you may need it in an emergency. Give your cell phone number to your Dormitory Supervisor and RA.
- Report all suspicious incidents to the Dormitory Supervisor. Be able to describe individuals, make, model, and color of car, license plate, etc. Call Security immediately at (682) 326-7272 between the hours of 6:00 pm – 6:00 am or call 911 immediately if you feel threatened or see a crime being committed.
- Keep doors locked. Report any loss immediately. It is a good practice to keep a record of serial numbers of electronic equipment to give to police in the case of filing a theft report.
- We strongly encourage you to purchase renter's insurance to protect/cover your personal property in the event of theft or damage.
- Communicate with the Dormitory Supervisor, keeping them informed of your activities and plans. This is for your safety and welfare.

- You should give the Dormitory Supervisor the following updated information:
  - Your place of employment, phone numbers, supervisor's name
  - Your work schedules
  - Your method of travel to and from work
  - How to contact you in an emergency
  - Contact information for your parent/guardian and another relative

## QUIET HOURS

In order to provide a regular time for study and prayer/devotions, quiet hours will be observed in the dormitories. During quiet time, students should avoid loud talking and unnecessary noise. All devices, electronic or otherwise, must be kept low in volume. Quiet time is set aside for study, prayer/devotions, or sleep. Please refrain from interfering with any student when he/she is trying to study or have devotions, even if it is not during quiet time.

### QUIET HOURS SCHEDULE

Sunday through Wednesday - 11 pm until 7 am  
Thursday through Saturday - 11 pm until 9 am

If a student works late and comes into the dormitory after curfew, he/she should refrain from noisy activity and respect other students who are studying.

## CAFETERIA

The cafeteria is located on the lower level of the Administration Building. Students who reside in one of the residence halls are provided a meal plan consisting of 10 meals per week while non-resident students may purchase individual meals or a meal plan through the business office. Dorm students are required to check in using Alta (formerly OpenPath). The cafeteria provides a pleasant atmosphere for socializing while eating or students have the option of takeout and adherence to the dress code is mandatory. (Because meals are not served on the weekend, students can have small appliances in their dorm rooms. See the required list)

## CHAPEL

Chapel services are an important part of the campus life of Arlington Baptist University. Chapel provides a time of spiritual growth and renewal for both faculty, staff, and students. Speakers are scheduled who can provide spiritual encouragement, enlightenment, and motivation throughout the school year. Chapel is scheduled on Tuesday and Thursday from 10:45 am – 11:45 am each week, and attendance is required of all students. Attendance by the entire campus family is greatly encouraged.

## CHAPEL ATTENDANCE

Chapel is an important part of your educational experience. It is an essential element in providing a Bible education that focuses on Christ. Chapel enhances your Christian life through the experience of corporate worship. Chapel offers opportunity to grow through expositional preaching. Chapel teaches ministry skills and provides opportunities for student involvement. Chapel builds a sense of community. Chapel attendance is an essential element of student life and adherence to the dress code is mandatory. Class schedules on Tuesday and Thursday are arranged so that all students on campus can be present at the Chapel hour. All students and full-time faculty are required to attend every Chapel even if they do not have

any T/TH classes. Failure to attend Chapel will result in disciplinary action leading up to dismissal from ABU. Chapel exemptions may be granted by the Dean of Students/Vice President of Student Affairs in very limited cases.

## CHURCH MEMBERSHIP/ATTENDANCE

Students are strongly encouraged to maintain an active membership in a local church which goes beyond the weekly attendance that is a part of the student's spiritual formation. Students living in the area will be introduced to multiple local churches of like faith during the week of orientation, and students are expected to be joined to a church of like faith. Students should seek a church in which they can both grow and serve.

Arlington Baptist University is a church-oriented University, seeking to prepare men and women for Christian service. Therefore, church attendance is required for every student. A student is expected to attend all services of his/her local church except when providentially hindered. Students are encouraged to be involved in the activities of the church where they hold a membership and participate in ministries of that church.

Students are encouraged to remain faithful to a local church. As a student you are a representative of Jesus Christ and a representative of Arlington Baptist University. New students will have a period of six weeks to become established as a member. A church of like faith is required. Students should not change local church membership without notifying the Campus Pastor or the Dean of Students of their intent. Faithfulness to a local church is an important element in the student's Christian service. Online church attendance is only allowed for illness and inclement weather.

## STUDENT UNION BUILDING

The Student Union Building (SUB) provides a place to study, watch television, play games, or simply hang out with friends. During the fall and spring terms, the Student Life Director and Campus Pastor plans and promotes various activities that foster community and social engagement. The gym is made available for all students a few nights per week for open gym. Both the Student Union Building and the Gym close at 11:30 pm each night.

## THE STUDENT'S PERSONAL LIFE

The Dean of Students has general supervision of all student life aside from the academic and business relations with the University. This includes standards of conduct, disciplinary measures, dormitory regulation, social and other extracurricular activities, etc. The Dean of Students is here to help and to advise with matters of any kind that affect and impact the individual student or the campus community in general.

## CAMPUS DRESS CODE

Arlington Baptist University will follow the biblical principles of modesty when deciding how our dress code policies will be determined. Modesty, neatness, and a Christ-like manner should be characteristic of everyone. Therefore, the classroom dress expectations can be identified as Business Casual. Questions concerning the dress code should be addressed to the Office of Student Affairs. I Cor 10:31; Col 3:23-24; 1 Pet 3:3-4.

## FIREARMS, FIREWORKS, AND WEAPONS

Student possession of firearms including air guns, BB guns, airsoft guns, handguns, and paintball guns are prohibited on campus or in the dormitories. Fireworks are illegal in the city of Arlington. Large knives, daggers, or martial arts instruments capable of inflicting serious bodily injury to others are prohibited. Any item in these prohibited categories will be confiscated and the student forfeits any right to ownership. Students who break this regulation are subject to dismissal.

## INTOXICANTS AND DRUGS

Intoxicants, vaping chemicals, and illegal drugs of any kind are prohibited. Alcoholic beverage containers, vaping supplies, drug “baggies.” etc. will be considered signs of use. A student may be subject to a drug test if he/she acts or appears to be under the influence of alcohol or drugs. Students found with intoxicants or illegal drugs on their person, in their vehicle, or in their rooms may be subject to dismissal.

## PORNOGRAPHY

Movies, videos, DVD's, books, and magazines containing pornographic material are forbidden in the dorms or on campus. Students are strongly cautioned about the temptations and dangers of pornography on the internet. Students in possession and/or participation in pornography are subject to dismissal.

## PROFANITY

Written or verbal profanity and profane gestures are unacceptable behavior, and the student will be subject to discipline.

## SEXUAL HARASSMENT

At ABU, any form of sexual harassment, verbal or physical, is viewed as inconsistent with biblical teachings and University standards. Such harassment is considered illegal sex discrimination and violates Title IX of the 1982 Education Act for Students. Individuals found in violation will be subject to disciplinary action and possible charges by local law enforcement agencies. Complaints of any harassment should be reported immediately to the Dean of Students. In all cases confidentiality will be adhered to except as required by law.

## SEXUAL MISCONDUCT

At ABU we believe that God has created men and women as distinctly different sexual beings, wonderfully made for one another according to God's design and purpose. While the broader culture has chosen to abuse and exploit sexuality, we believe God intended that this gift only be used within the context of heterosexual marriage (1 Cor. 6:12-20). We affirm the biblical teaching that sexual purity is the standard of moral behavior for the Christian and that sexual activity and expression apart from the marriage relationship is a sin against one's body and violates biblical standards (1 Thess. 4:3-8). Students participating in sexual misconduct will be subject to dismissal.

## TOBACCO

The use of tobacco is prohibited. Students participating in the use of tobacco products will be subject to discipline.

## FIRE SAFETY POLICY

The safety of our students is paramount, and fire safety is an essential element of protecting our students. For this reason, fire extinguishers are located in all buildings and are inspected and serviced on a regular basis as prescribed by law. (Please be aware that the unwarranted use, removal, or disablement of any fire related equipment or system is grounds for immediate expulsion as well as possible criminal prosecution.) Students, faculty, and staff should all be alert to possible fire hazards and are expected to notify both the administration and maintenance of any suspected dangers.

Evacuation routes for each building are posted in each classroom and at each main entrance. These postings show the location(s) of nearby extinguishers and indicate the area to which students are to evacuate. Should an evacuation become necessary, students should report to and remain at the designated evacuation area until their safe exit has been verified.

## FIRE DRILLS

Campus-wide fire drills (including the dorms) will be conducted at the beginning of each semester, and fire procedures for the dorm will be reviewed at the first dorm meeting of each semester. These drills are designed to determine whether students' awareness of procedures is sufficient to ensure a timely exit. Evacuation results will be presented to the Dean of Students who will determine follow-up needs.

## ACTIVE SHOOTER PLANNING

ABU encourages all students to be aware of their surroundings and the possibility of an active shooter situation. Students should make every day a training day with knowledge of the Avoid-Deny-Defend strategy. For more information regarding active shooter planning, please visit the website at:

[Options for Consideration Active Shooter Training Video \(youtube.com\)](https://www.youtube.com/watch?v=...)

- Don't hesitate. Seconds matter.
- Remember windows and emergency exits.
- Leave belongings behind. Keep empty hands raised and clearly visible.
- Follow all instructions from the police.
- Don't stop until you are sure you have reached a safe location.

- If there is no safe escape route, find a good hiding place.
- Lock and barricade the door.
- Silence cell phones.

### Fight

- Fight only as a last resort.
- Use available objects as improvised weapons.
- Use teamwork and surprise. A coordinated ambush can incapacitate an attacker.
- You are fighting for your life. Don't fight fair!

## GENERAL INSTRUCTIONS

In order to provide a Christian atmosphere and a safe environment, personal belongs and contents of rooms are subject to inspection by the Dormitory Supervisor and/or Resident Assistant (RA) at all times.

Candles, matches, lighters, incense, and other sources of open flames are strictly prohibited in the dormitories. The presence of candles in dormitory rooms is specifically prohibited by the insurance policy covering our buildings. Candles and open flames are a leading cause of residential and apartment fires often resulting in injury and death.

Do not install accessories (internet cable, ceiling fans, etc.) to your room without permission from the Dormitory Supervisor, Campus Operations Director, or the Business Office.

No soliciting in the dormitories. Do not use the University name, phone numbers, or address for advertising.

Residents are not permitted to hold meetings in the dormitory or about the dormitory without the approval and presence of the Dormitory Supervisor.

Residents should close blinds in rooms to insure privacy, especially when the lights are on.

All dormitory residents must be fully clothed before entering hallways or lobbies of the dormitory.

Dorm halls and lobbies are the responsibility of all dorm residents. Residents can help by picking up after themselves, using trash cans, and not leaving trash in the halls or lobby areas.

Each dorm resident is responsible to clean that portion of the bathroom that is assigned to him/her. Each student is also responsible for keeping the toilet and shower clean after personal use. This is an important aspect of community life, health, and personal hygiene.

Posters of inappropriate movies, politically inflammatory imagery, and celebrities (movie stars, musical celebrities, models, etc.) are not allowed to be displayed in the dormitory.

Regardless of the time of day, it is expected that music in the dormitories will be controlled and not be an offense (profanity) or disturbance to others.

While some within our University community may find practical jokes humorous and a part of camaraderie, others find them to be inconsiderate or even malicious. Although we allow for freedom, we do not condone or tolerate activities, which are contrary to Biblical principles relating to others (being destructive, offensive, taking revenge, etc.). A general guideline to follow is to examine beforehand whether a practical joke will enhance or damage relationships.

## HAZING

Hazing refers to any activity expected of someone joining or participating in a group that humiliates, degrades, abuses, or endangers them, regardless of their willingness to participate. It occurs in various social contexts, including fraternities, sororities, sports teams, schools, and military units.

Arlington Baptist University is committed to maintaining an atmosphere of social and ethical responsibility. Participation in hazing activities is against the law. Violation of the University's hazing policy, whether on or off campus, may subject participants/students to arrest, prosecution and/or disciplinary action, including, but not limited to, suspension or expulsion of the students. Consent to or agreeing to participate in hazing activity is not a defense.

Hazing includes but is not limited to:

- Any type of physical brutality, such as whipping, beating, striking, branding, placing of a harmful substance in or on the body, or similar activity.
- Any type of physical activity that involves or results in sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the person to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the person.
- Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance, in addition to any activity that subjects the person to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the person.
- Any activity that intimidates, demeans, embarrasses, or alienates the person, that subjects the person to stress, shame, or humiliation, that adversely affects the mental health or dignity of the person or discourages the person from entering or remaining registered at ABU.
- Any activity that involves coercing a student to consume a drug or an alcoholic beverage in any amount.
- Any activity that threatens the wellbeing of a person by restricting their ability to communicate with others to get medical help, to document prohibited conduct, or report misconduct.
- Any activity that induces, causes, or requires the person to perform a duty or task that involves committing a crime.

## TEXAS HAZING LAW

Hazing is a criminal violation under Texas law. A person may be found guilty of criminal conduct for hazing, encouraging hazing, permitting hazing, or having knowledge of the planning of hazing incidents and failure to report in writing his/her knowledge to the Dean of Students, Campus Pastor, or Director of Student Life.

## ABU ALCOHOL AND DRUG POLICY

The Arlington Baptist University Alcohol and Drug Policy is based upon and is in conformity to the Drug-Free Schools and Communities Act Amendment of 1989, Public Law 101-226.

The Arlington Baptist University Alcohol and Drug policy concerning the use, possession, or distribution of alcoholic beverages and/or illicit drugs is detailed below. Please note that this applies to all students regardless of age.

Standards of Conduct:

- The University code of conduct prohibits possession and consumption or being under the influence of alcoholic beverages.
- The University code of conduct prohibits possession and consumption or being under the influence of any illicit drugs.
- The University code of conduct requires that all students and employees be in compliance with all local, state, and federal laws regarding illicit drugs including, but not limited to, their use, sale, possession, or manufacture.
- The University code of conduct requires that employees and students must notify the University, in writing, of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction.

## ABU DRUG TESTING POLICY

Arlington Baptist University is committed to having a drug-free University. All students are subject to random drug testing throughout the year. The following procedures and guidelines have been instituted to eliminate the occurrence of drugs and NCCAA-banned substances at ABU:

- Each student-athlete is required to sign an ABU consent form and a NCCAA Drug Testing consent form annually. The signing of this consent form allows ABU and the NCCAA to test the athlete population, as they deem necessary. In order to participate in athletics, both the ABU and NCCAA Drug Testing consent forms must be signed by the student athlete.
- Arlington Baptist University will conduct random drug tests of all students with during the academic school year. The 5-Panel Rapid Test identifies street drugs, including Marijuana, Amphetamines/ Methamphetamines, Ecstasy, Cocaine, and Ephedrine. These tests will be administered by an outside vendor. The students will provide a urine specimen to a technician of the same gender.

## STANDARDS OF CONDUCT

The college student is considered a responsible adult. The conduct of students on the premises of Arlington Baptist University must not interfere with the orderly processes and governance of the University. The student's enrollment at ABU indicates acceptance of those standards of conduct. It is the responsibility of each student to be knowledgeable of and to comply with the contents and provisions of ABU policy, rules, and regulations, which affect the student's standing with the University. Students shall obey the law, show respect for properly constituted authority and observe correct standards of conduct. Each student is responsible for remaining in good standing and with the College financially.

The University requires all members of its community (students, visitors, and staff) to refrain from the possession and/or use of alcoholic beverages and the illegal and improper possession and/or use of narcotics, drugs, and other controlled substances.

## VANDALISM, TRESPASSING, AND OTHER PROPERTY DESTRUCTION INCLUDING BUT NOT LIMITED TO:

Marking or defacing walls, floors, ceilings, or other surfaces; tampering with any equipment, appliances or fixtures. Littering is also prohibited. The use of any facility or area for activities other than its intended purpose is considered trespassing and is prohibited. Students engaging in vandalism, misuse of facilities, and/or trespassing may face criminal prosecution in addition to college judicial action. Students who are dismissed from the University for cause, must receive permission from Administration to come to campus.

## SANCTIONS

There are both Texas and Federal laws against the unlawful possession, use, and distribution of illegal drugs by those of any age; and the unlawful possession, use, and distribution of alcoholic beverages by those who are under the age of 21 and against buying alcoholic beverages for those under 21 or sharing alcoholic beverages with them. Violations of these laws are punishable on either a State or Federal level by fines and/or imprisonment.

As of January 1, 2012, the University has initiated a random drug testing program as a means of protecting the campus community from the potential negative effects of illegal drugs. The administration reserves the right to request any student, visitor, or staff member to submit to a urinary drug test. A test that shows positive or refusal to participate will be considered a failure and may result in dismissal from ABU.

Students who violate the University's Alcohol and Drug Policy will be referred to the Student Affairs Committee, who, after deliberation of their cases, may suspend them from school for a period of time or expel them permanently. Any student who is convicted of a criminal drug statute must notify the Dean of Students no later than five days after such conviction.

Students who are found guilty of violating the University policy concerning the possession, consumption, or distribution of alcohol or related substances will be subject to a range and/or combination of the following sanctions:

- Fines ranging from \$100 to \$250
- Completion of an alcohol education program, which involves a fee to students
- On-campus counseling
- Non-athletes probation for 12 months and must agree to random drug testing

- Athletes' suspension from athletics for 12 months and must agree to random drug testing
- Dismissal for one term and must submit a request to be readmitted to ABU
- Dismissal for 12 months and must reapply

*\*If dorm students are dismissed from ABU, they must move out of the dorm immediately.*

Faculty or staff members who violate the University's Alcohol and Drug Policy are subject to removal from employment. As a condition of employment, an employee convicted of a criminal drug statute must notify the institution no later than five days after such conviction.

Students or employees of Arlington Baptist University who violate State or Federal drug and alcohol laws while on campus are subject to referral to State or Federal authorities for prosecution.

## HEALTH RISKS

The use of illicit drugs and the abuse of alcohol greatly threaten one's health by diminishing the quality of life. Drugs and alcohol impair judgment, dull the senses, and pose a tremendous threat to the safety of the users and others.

## ABU BIBLICAL COUNSELING CENTER

Arlington Baptist University, as part of its core mission, seeks to come alongside students and encourage them to grow in their walk with Christ in all areas of life. Amid the rigors of academia, it can be difficult at times to find space to navigate personal struggles. ABU is convinced that it is critical to care for their students holistically. In order to accomplish this, the student needs avenues to grow in various aspects of their life, i.e., academia, athletics, as well as emotional and spiritual health.

Since many of the pressures students face can become increasingly challenging to navigate if not addressed, and therefore spill over into every other area, ABU provides counseling free of charge to all students at our Biblical Counseling Center.

Currently, the counseling center is staffed by a husband-and-wife team, Dr. Charles Kuthe and his wife Erin Kuthe. Charles and Erin have been in ministry for nearly 20 years and consider it a privilege to walk with those who are struggling. They seek to provide a safe and helpful environment to wrestle with the challenges of life in partnership together.

The center is open on Fridays from 8am-12pm or by appointment. To learn more about the counseling center, or to schedule an appointment, please reach out via the below emails:

## STUDENT COMPLAINTS AND GRIEVANCES

Arlington Baptist University understands that misunderstandings and conflicts are often a part of life and community interaction. ABU encourages the resolution of student complaints through communication, courtesy, and patience. It is most effective for conflicts to be addressed at their lowest level and as close to the time of the incident as possible with Matthew 18:15-17 as the model for procedure.

### INFORMAL GRIEVANCES

A student who has a complaint concerning ABU should first direct his/her questions to the University department involved. The student is responsible for making a reasonable attempt to resolve the problem with the person directly involved. If the student is not satisfied with the outcome of that informal process, then a written complaint should be filed.

### FORMAL GRIEVANCES

The formal grievance process requires written documentation. A formal grievance form is available through the office of the Dean of Students/Vice President of Student Affairs. The student will complete the form and observe the following process:

1. A written complaint using the University's grievance form should be made to the immediate supervisor of the person against whom the complaint is made. If no resolution is reached, or the student has not received a satisfactory response from the supervisor within 10 working days of the submittal of the grievance form, then the student may proceed to the next step.
2. The student should file a formal written grievance with the University administrator who has jurisdiction over the area involved. The administrator may deal with the issue directly or confer with a University committee and/or staff to rule on the grievance. A ruling on the grievance will be determined within 30 days of the receipt of the complaint as submitted to the administrator. The administrator will inform the complainant and the area supervisor of the decision.
3. The complainant may appeal the decision of the University administrator and/or committee to the Sr. Executive VP of the University or the president's designee(s). Appeal must be in writing using the University's grievance form and presented within 10 working days of the ruling in step 2 above. A ruling on the appeal will be made within 15 days of filing of the appeal. Rulings made at this level are final within the institution.

For grievances beyond this outline of procedures, students may contact the University's accrediting agency (ABHE) or the Texas Higher Education Coordinating Board. Contact information is listed below:

## **ANNUAL NOTIFICATION OF THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)**

Dear Student:

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords you as a student and parents of whom you are a dependent, certain rights with respect to your educational and financial records. It is the University's responsibility to inform you and your family, annually, of these rights and the limitations thereon. They are:

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

Students should submit to the Registrar or other appropriate official a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the record (s) may be inspected.

The right to request the amendment of the student's education records that the student believes is inaccurate or misleading.

Students may ask that the University amend a record that they believe is inaccurate or misleading. They should make a written request to the Professor of the record in question, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.

If the Professor decides not to amend the record as requested by the student, the Professor will notify the student of the decision and advise the student of his or her right to a hearing before the Academic Affairs Committee regarding the request for amendment.

The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent “directory information” which is:

- Student name, current address and telephone number, date and place of birth, major, dates of attendance, full – or part-time enrollment status, degrees and awards received, and dates granted, previous education institution(s) attended, and eligibility and participation in officially recognized activities and sports.

A student may request that any part or all the above “directory information” require consent to be disclosed. The release of any other personally identifiable information will only be disclosed at the request of the student. A request regarding any of the above must be made in writing, annually to the Registrar’s Office.

It is also permissible for the University to release information from a student’s educational record to a parent, provided the student is a “dependent” as defined in Section 152 of the Internal Revenue Code of 1954. The parent must request in writing, clearly identifying the information so desired. This request must be submitted to the proper University official, and it will be responded to within 45 days of the University’s receipt of it.

This information is strictly for the purpose of informing you and your parents of your rights regarding your education and financial records.

If you have any questions, you may write:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D.C. 20202-5920

If a student has not properly cleaned the room or has not removed personal items from the room, there will be additional charges assessed.
