# GENERAL INFORMATION

## HISTORY\*

Every institution has its beginning in the planting of a seed idea, and for Arlington Baptist University the seed was planted in 1925 with a concept of a Bible Institute in Dallas. Although this institute did not materialize, it led Dr. J. Frank Norris, pastor of the First Baptist Church in Fort Worth, Texas, to begin in 1927, the Fundamental Bible Institute. The Institute offered a plan of systematic Bible study via radio and correspondence.

In 1931, Dr. Norris announced the formation of the Pre-Millennial Bible Conference/Southwestern Pre-Millennial Bible School which would conduct two sessions a year. The first session was held in November 1931, and Dr. Louis Entzminger was named Superintendent. These Bible conferences were developed to provide concentrated pastoral training, encouragement, challenge, and teaching in the truth of God's Word.

Out of these early Bible training efforts, the Fundamental Baptist Bible Institute was chartered on March 3, 1939; and the first classes met in October of 1939, in an upper room of the First Baptist Church in Fort Worth, TX. The curriculum was expanded from the Bible conferences, and the length of the term was changed to eight months plus a two-month summer term.

The name of the school was changed in 1945 to Bible Baptist Seminary. Dr. Norris' death in 1952 left the institution without a "home", and the classes were transferred to a temporary location in downtown Fort Worth.

Dr. Earl K. Oldham was named President in 1953. Dr. Oldham, a graduate of the Bible Baptist Seminary, was pastor of the Calvary Baptist Church in Grand Prairie, Texas. Under Dr. Oldham's leadership, the school was relocated to its permanent home in Arlington, Texas in 1955. Dr. Oldham directed the school into a four-year undergraduate institution, changing the name to Arlington Baptist College, and offering the Bachelor of Science and Bachelor of Arts degrees. Although the College was authorized by the Texas Higher Education Commission to issue degrees, Dr. Oldham recognized the importance and necessity for fully accredited status under an accrediting body approved by the United State Department of Education. In 1975, Dr. Oldham initiated an inquiry with what was then entitled the American Association of Bible Colleges (AABU). The College achieved Candidate status with AABU in 1977. In 1980 Dr. Oldham was named Chancellor. During Dr. Oldham's twenty-seven years as President, the College grew in facilities, students, and personnel.

Dr. Wayne Martin was named President in 1980. Dr. Martin led the College to its fully accredited status in 1981, completing the accreditation process that had begun in 1975. Dr. Martin continued the College's pursuit of Christian service and academic excellence while preserving the institution's original purpose.

In January 1992, Dr. Wendell Hiers was named interim President, bringing to the office over twenty years of veteran mission work in Brazil and several years as Director of the World Baptist Fellowship Mission Agency.

The College Board of directors appointed David D. Bryant as the President of the College effective May 1, 1993. David Bryant graduated from the Bible Baptist Seminary with a Bachelor of Divinity degree and served as a pastor for 17 years. Dr. Bryant continued his education and now has a Master of Theology from the Louisiana Baptist Theological Seminary and a Doctor of Divinity from Baptist Christian College. He is also a former College Board member. Dr. Bryant is one who motivates servants for Christ.

Upon Dr. Bryant's announcement of retirement in January of 2009, the College Board contacted Dr. D. L. Moody, pastor of Pleasantview Baptist Church in Arlington Texas, concerning the position of president of Arlington Baptist College. In April of 2009, Dr. Moody resigned his pastorate and accepted the Board's invitation to become the new president of ABU, which became effective June 01, 2009.

Dr. Moody is a 1983 graduate (BA) of Arlington Baptist College. In 1989, Dr. Moody returned to the College to serve as Director of Institutional Development from 1989 to 1991 and later as Dean of Students from 1991 to 2004 while teaching the Pastoral Ministry and Homiletics courses. While fulfilling these responsibilities with the college, Dr. Moody obtained his MA in Ministry from Moody Bible Institute in 2002, as well as his Doctor of Ministry from Covington Theological Seminary in 2005. Throughout his association with ABU, Dr. Moody has continued to have a positive impact on students, pastors, and friends of the college.

On June 1, 2017, Arlington Baptist College changed its name to Arlington Baptist University.

Upon Dr. Moody's resignation in June 2019, the Board appointed Jimmy McNeil, pastor of Pleasantview Baptist Church, as interim president for six months. At the end of his term, the Board appointed Clifton McDaniel as interim president. His term began January 1, 2020.

On January 11, 2021, the University Board elected Clifton McDaniel as the school's tenth president. Mr. McDaniel graduated from ABU (then ABC) with his BS (2000) and his M.Ed. (2013) degrees. Clifton spent 9 years in public education before returning to ABU in 2011 to restart ABU's athletics which has grown to over 100 athletes and eight sports. During his time as interim, Mr. McDaniel led the school to improvements in the campus, as well as academics, chapel, and student life.

## PHILOSOPHY

---

---

Shaped by its fundamental Baptist heritage, Arlington Baptist University stands on the conviction that thorough preparation in the Word of God best equips an individual for a useful career and responsible citizenship. Education at Arlington Baptist University centers on a Christian world view; as the Bible teaches, the world and men are direct creations of God, and that man is responsible to God. Learning and faith are integrated in all college programs to provide a balanced educational experience.

This experience is based on an acquaintance with the life of Jesus Christ and an emphasis on practical service. Programs are characterized by academic excellence and personal discipline. A student's personal life and performance concern the faculty as much as training of the mind. All phases of college life are devoted to building Christian character into the life of each student.

# STATEMENT OF FAITH

---

---

## SECTION 1. OF THE SCRIPTURES

We believe that the Holy Bible was written by men supernaturally inspired: that it has truth without any admixture of error for its matter; and therefore is, and shall remain to the end of the age, the only complete and final revelation of the will of God to man; the true center of Christian union; and the supreme standard by which all human conduct, creeds, and opinions should be tried.

1. By "The Holy Bible" we mean that collection of sixty-six books, from Genesis to Revelation, which, as originally written, does not only contain and convey the Word of God but IS the very Word of God.
2. By "inspiration" we mean that the books of the Bible were written by holy men of old as they were moved by the Holy Spirit in such a definite way that their writings were supernaturally and verbally inspired and free from error, as no other writings have ever been or ever will be inspired.

II Tim. 3:16-17; II Pet. 1:19-21; Acts 1:16; Acts 28:25; Psa. 119:160; Psa. 119:105; Psa. 119:130; Luke 24:25-27; John 17:17; Luke 24:44-45; Psa. 119:89; Prov. 30:5-6; Rom. 3:4; I Pet. 1:2-3; Rev. 22:19; John 12:48; Isa. 8:20; Eph. 6:17; Rom. 15:4; Luke 16:31; Psa. 19:7-11; John 5:45-47; John 5:39.

## SECTION 2. OF THE TRUE GOD

We believe that there is one, and only one, living and true God, an infinite, intelligent Spirit, the maker and supreme ruler of heaven and earth, inexpressibly glorious in holiness and worthy of all possible honor, confidence and love; that in the unity of the Godhead there are three persons, the Father, the Son and the Holy Spirit, equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

Ex. 20:2-3; Gen. 17:1; I Cor. 8:6; Eph. 4:6; John 4:24; Psa. 147:5; Psa. 83:18; Psa. 90:2; Jer. 10:10; Ex. 15:11; Rev. 4:11; I Tim. 1:17; Rom. 11:33; Mark 12:30; Matt. 28:19; John 15:26; I Cor. 12:4-6; I John 5:7; John 10:30; John 17:5; Acts 5:3-4; I Cor. 2:10-11; Phil. 2:5-6; Eph. 2:18; II Cor. 13:14.

## SECTION 3. OF THE HOLY SPIRIT

We believe the Holy Spirit is a divine person, equal with God the Father, and God the Son and of the same nature; that He was active in the creation; that in His relation to the unbelieving world He restrains the evil one until God's purpose is fulfilled; that He convicts of sin, of judgment, and of righteousness; that He bears witness to the Truth of the Gospel in preaching and testimony; that He is the agent in the New Birth; that He seals, endues, guides, teaches, witnesses, sanctifies, and helps the believer.

John 14:16-17; Matt. 28:19; Heb. 9:14; John 14:26; Luke 1:35; Gen. 1:1-3; II Thes. 2:7; John 16:8-11; John 15:26; Acts 5:30-32; John 3:5-6; Eph. 1:13-14; Matt. 3:11; Mark 1:8; Luke 3:16; John 1:33; Acts 11:16; Luke 24:49; John 16:13; John 14:26; Rom. 8:14; Rom. 8:16; II Thes. 2:13; I Pet. 1:2; Rom. 8:26-27.

## SECTION 4. OF THE DEVIL OR SATAN

We believe that Satan was once holy and enjoyed heavenly honors; but through pride and ambition to be as the Almighty, fell and drew after him a host of angels; that he is now the malignant prince of the power of the air, and the unholy god of this world. We hold him to be man's great tempter, the enemy of God and His Christ, the accuser of the saints, the author of all false religions, the chief power back of the present apostasy, the lord of the anti-Christ, and the author of all the powers of darkness, destined however to final defeat at the hands of God's Son and to the judgment of an eternal justice in hell, a place prepared for him and his angels.

Isa. 14:12-15; Ezek. 28:14-17; Rev. 12:9; Jude 6; II Pet. 2:4; Eph. 2:2; John 14:30; I Thes. 3:5; Matt. 4:1-3; I Pet. 5:8; Zech. 1:3; I John 3:8; Matt. 13:25, 37-39; Luke 22:3-4; Rev. 12:10; II Cor. 11:13-15; Mark 13:21-22; I John 4:3; II John 7; I John 2:22; Rev. 13:13-14; II Thes. 2:8-11; Rev. 19:11; Rev. 16-20; Rev. 12:7-9; Rev. 20:1-3; Rev. 20:10; Matt. 25:41.

## SECTION 5. OF THE CREATION

We believe in the Genesis account of creation, and that it is to be accepted literally, and not allegorically or figuratively; that man was created directly in God's own image and after His own likeness; that man's creation was not a matter of evolution or evolutionary changes of species, or development through interminable periods of time from lower to higher forms; that all animal and vegetable life was made directly, and God's established law was that they should bring forth only "after their kind."

Gen. 1:1; Ex. 20:11; Acts 4:24; Col. 1:16-17; Heb. 11:3; John 1:3; Rev. 10:6; Rom. 1:20; Acts 17:23-26; Jer. 10:12; Neh. 9:6; Gen. 1:26-27; Gen. 2:21-23; Gen. 1:11; Gen. 1:24.

## SECTION 6. OF THE FALL OF MAN

We believe that man was created in innocence under the law of his Maker, but by voluntary transgression fell from his sinless and happy state, in consequence of which all mankind are now sinners, not by constraint, but of choice and therefore under just condemnation without defense or excuse.

Gen. 3:1-6, 24; Rom. 5:12; Rom. 5:19; Rom. 3:10-19; Eph. 2:1, 3; Rom. 1:18; Ezek. 18:19-20; Rom. 1:32; Rom. 1:20; Rom. 1:23; Gal. 3:22.

## **SECTION 7. OF THE VIRGIN BIRTH**

We believe that Jesus Christ was begotten of the Holy Ghost in a miraculous manner; born of Mary, a virgin, as no other man was ever or can be born of woman; and that He is the Son of God, and God the Son.

Gen. 3:15; Isa. 7:14; Matt. 1:18-25; Luke 1:35; Mark 1:1; John 1:14; Psa. 27; Gal. 4:4; I John 5:20; I Cor. 15:47.

## **SECTION 8. OF THE ATONEMENT FOR SIN**

We believe that the salvation of sinners is wholly of grace through the mediatory office of the Son of God, who, by the appointment of the Father, freely took upon Him our nature, yet without sin, honored the divine law by His personal obedience; and by His death made a full and vicarious atonement for our sins; that His atonement consisted not in setting us an example by His death as a martyr, but was the voluntary substitution of Himself in the sinner's place, the Just dying for the unjust, Christ, the Lord, bearing our sins in His own body on the tree; that, having risen from the dead, He is now enthroned in heaven and uniting in His wonderful person the tender sympathies with divine perfection. He is every way qualified to be a suitable and compassionate and all-sufficient Saviour.

Eph. 2:8; Acts 15:11; Rom. 3:24; John 3:16; Matt. 18:11; Phil. 2:7; Heb. 2:14; Isa. 53:4-7; Rom. 3:25; I John 4:10; I Cor. 15:3; II Cor. 5:21; John 10:18; Phil. 2:8; Gal. 1:4; I Pet. 2:24; I Pet. 3:18; Isa. 53:11; Heb. 12:2; I Cor. 15:20; Isa. 53:12; Heb. 9:12-15; Heb. 7:25; I John 2:2.

## **SECTION 9. OF GRACE IN THE NEW CREATION**

We believe that in order to be saved, sinners must be born again; that the new birth is a new creation in Christ Jesus; that it is instantaneous and not a process; that in the new birth the dead in trespasses and in sins is made a partaker of the divine nature and receives eternal life, the free gift of God; that the new creation is brought about in a manner above our comprehension, not by culture, not by character, nor by the will of man, but wholly and solely by the power of the Holy Spirit in connection with divine truth, so as to secure our voluntary obedience to the gospel; that its proper evidence appears in the holy fruits of repentance and faith and newness of life.

John 3:3; II Cor. 5:17; Luke 5:27; I John 5:1; I John 3:6-7; Acts 2:41; Acts 16:30-33; II Pet. 1:4; Rom. 6:23; Eph. 2:1; II Cor. 5:19; Col. 2:13; John 3:8; John 1:12-13; Gal. 5:22; Eph. 5:9.

## **SECTION 10. OF THE FREENESS OF SALVATION**

We believe in God's electing grace that the blessings of salvation are made free to all by the gospel; that it is the immediate duty of all to accept them by a cordial, penitent, and obedient faith; and that nothing prevents the salvation of the greatest sinner on earth but his own inherent depravity and voluntary rejection of the gospel; which rejection involves him in an aggravated condemnation.

I Thes. 1:4; Col. 3:12; I Pet. 1:2; Titus 1:1; Rom. 8:29-30; Matt. 11:28; Isa. 55:1; Rev. 22:17; Rom. 10:13; John 6:37; Isa. 55:6; Acts 2:38; Isa. 55:7; John 3:15-16; I Tim. 1:15; I Cor. 15:10; Eph. 2:4-5; John 5:40; John 3:18; John 3:36.

## **SECTION 11. OF JUSTIFICATION**

We believe that the great gospel blessing which Christ secures to such as believe in Him is Justification; that Justification includes the pardon of sin, and the gift of eternal life on principles of righteousness; that it is bestowed not on consideration of any works of righteousness which we have done, but solely through faith in the Redeemer's blood, His righteousness is imputed unto us.

Acts 13:39; Isa. 53:11; Zech. 13:1; Rom. 8:1; Rom. 5:9; Rom. 5:11; Titus 3:5-7; Hab. 2:4; Gal. 3:11; Rom. 4:18; Heb. 10:38.

## **SECTION 12. OF REPENTANCE AND FAITH**

We believe that Repentance and Faith are solemn obligations, and also inseparable graces, wrought in our souls by the quickening Spirit of God; thereby, being deeply convicted of our guilt, danger, helplessness, and of the way of salvation by Christ, we turn to God with unfeigned contrition, confession, and supplication for mercy; at the same time heartily receiving the Lord Jesus Christ and openly confessing Him as our only and all-sufficient Saviour.

Acts 20:21; Mark 1:15; Acts 2:37-38; Luke 18:13; Rom. 10:13; Psa. 51:1-4; Psa. 51:7; Isa. 55:6-7; Luke 12:8; Rom. 10:9-11.

## **SECTION 13. OF THE CHURCH**

We believe that a church of Christ is a congregation of baptized believers associated together by a covenant of faith and fellowship of the gospel: observing the ordinances of Christ; governed by His laws; and exercising the gifts, rights, and privileges invested in them by His Word; that its officers of ordination are pastors or elders and deacons whose qualifications, claims, and duties are clearly defined in the scriptures; we believe that the true mission of the church is found in the Great Commission; First, to make individual disciples; Second, to build up the church; Third, to teach and instruct as He has commanded. We do not believe in the reversal of this order; we hold that the local church has the absolute right of self-government, free from the interference of any hierarchy of individuals or organizations; and that the one and only superintendent is Christ through the Holy Spirit; that it is scriptural for true churches to co-operate with each other in contending for the faith and for the furtherance of the

gospel; that every church is the sole and only judge of the measure and methods of its cooperation; on all matters of membership, of policy, of government, of discipline, and of benevolence. The will of the local church is final.

Acts 2:41; Acts 2:42; I Cor. 1:2; Eph. 1:22-23; Eph. 4:11; I Cor. 12:4, 8-11; Acts 14:23; Acts 6:5-6; Acts 15:23; Acts 20:17-28; I Tim. 3:1-7; I Tim. 3:8-13; Matt. 28:19-20; Col. 1:18; Eph. 5:22-23; I Pet. 5:1-4; Acts 15:22; Jude 3-4; II Cor. 8:23-24; I Cor. 16:1; Mal. 3:10; Lev.27:32; I Cor. 16:2; I Cor. 6:1-3; I Cor. 5:11-13.

#### **SECTION 14. OF BAPTISM AND THE LORD'S SUPPER**

We believe that Christian baptism is the immersion in water of a believer in the name of the Father, of the Son, and of the Holy Ghost with the authority of the local church to show forth, in a solemn and beautiful emblem, our faith in the crucified, buried, and risen Saviour with its effect in our death to sin and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper in which the members of the church, by the sacred use of bread and wine, are to commemorate together the dying love of Christ, preceded always by solemn self-examination.

Acts 8:36-39; Matt. 3:6; John 3:23; Rom. 6:4-5; Matt. 3:16; Matt. 28:19; Rom. 6:3-5; Col. 2:12; Acts 2:41-42; Matt. 28:19-20; I Cor. 11:23-28.

#### **SECTION 15. OF THE PERSEVERANCE OF THE SAINTS**

We believe that such only are real believers as endure unto the end, that their persevering attachment to Christ is the grand mark which distinguishes them from superficial professors, that a special Providence watches over their welfare, and that they are kept by the power of God through faith unto eternal salvation.

John 8:31-32; Col. 1:21; I John 2:19; Matt. 13:19-21; Rom. 8:23; Matt. 6:30; Psa. 121:3; Heb. 1:14; I Pet. 1:5; Phil. 1:6; John 10:28; John 10:29; John 16:8; Rom. 8:35-39.

#### **SECTION 16. OF THE RIGHTEOUS AND THE WICKED**

We believe that there is a radical and essential difference between the righteous and the wicked; that such only as through faith are justified in the name of the Lord Jesus, and sanctified by the Spirit of our God, are truly righteous in His esteem; while all such as continue in impenitence and unbelief are in His sight wicked, and under the curse and this distinction holds among men both in and after death, in the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

Mal. 3:18; Gen. 18:23; Rom.6:17-18; Prov. 11:31; I Pet. 4:18; Rom. 1:17; I Cor. 15:22; Acts 10:34-35; I John 2:29; I John 3:7; Rom. 6:16; I John 5:19; Gal. 3:10; Rom. 7:6; Rom. 6:23; Prov. 14:32; Luke 16:25; Matt. 25:34-41; John 8:21; Luke 9:26; John 12:25; Matt. 7:13-14.

#### **SECTION 17. OF CIVIL GOVERNMENT**

We believe that civil government is of divine appointment, for the interest and good order of human society; that magistrates are to be prayed for, conscientiously honored, and obeyed, except only in things opposed to the will of our Lord Jesus Christ, who is the only Lord of the conscience and the coming Prince of the kings of the earth.

Rom. 13:7; II Sam. 23:3; Ex. 18:21-22; Acts 23:5; Matt. 22:21; Titus 3:1; I Pet. 2:13-14; I Pet. 2:17; Acts 5:29; Acts 4:19-20; Dan. 3:17-18; Matt. 10:28; Matt. 23:10; Rev. 10:6; Phil. 2:10-11; Psa. 72:11.

#### **SECTION 18. OF THE RESURRECTION AND RETURN OF CHRIST AND RELATED EVENTS.**

We believe in and accept the sacred Scripture upon these subjects at their face and full value. Of the Resurrection, we believe that Christ rose bodily "the third day according to the Scriptures," that He ascended "to the right hand of the throne of God," that He alone is our "merciful and faithful high priest in things pertaining to God," "that this same Jesus which is taken up from you into heaven shall so come in like manner as ye have seen Him go into Heaven"-bodily, personally and visibly; that the "dead in Christ shall rise first;" that the living saints "shall all be changed in a moment, in the twinkling of an eye, at the last trump;" "That the Lord shall give unto Him the throne of His Father David;" and that "Christ shall reign a thousand years in righteousness until He hath put all enemies under His feet."

Matt. 28:6-7; Luke 24:39; John 20:27; I Cor. 15:4; Mark 16:6; Luke 24:2, 4-6; Acts 1:9; Acts 1:11; Luke 24:51; Mark 16:19; Rev. 3:21; Heb. 8:1; Heb. 12: 2; Heb. 8:6; I Tim 2:5; I John 2:1; Heb. 2:17; Heb. 5:9-10; John 14:3; I Thes. 4:16; Matt. 24:27; Matt. 25:13; Jas. 5:8; Matt. 24:42; Heb. 9:28; I Thes. 4:16; I Cor. 15:42-44; I Cor. 15:52; I Cor. 15:51-52; I Thes. 4:17; Phil. 3:20-21; Luke 1:32; Isa. 9:6-7; I Cor.15:25; Isa. 32:1; Isa. 11:4-5; Psa. 72:8; Rev. 20:1-4; Rev. 20:6.

#### **SECTION 19. OF MISSIONS**

The command to give the gospel to the world is clear and unmistakable, and this Commission was given to the churches. Matthew 28:18-20. "And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the son and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you and lo, I am with you alway, even unto the end of the world. Amen."

Mark 16:15. "And he said unto them, Go ye into all the world, and preach the gospel to every creature." John 20:21. "As my Father hath sent me, even so send I you."

Acts 1:8. "But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

Romans 10:13-15. "For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? and how shall they hear without a preacher? and how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace and bring glad tidings of good things."

## **SECTION 20. OF THE GRACE OF GIVING**

Scriptural giving is one of the fundamentals of the faith.

II Corinthians 8:7. "Therefore, as ye abound in everything, in faith, and utterance, and knowledge, and in all diligence, and in your love to us, see that ye abound in this grace also." We are commanded to bring our gifts into the storehouse (common treasury of the church) upon the first day of the week. I Corinthians 16:2. "Upon the first day of the week let everyone of you lay by him in store, as God hath prospered him, that there be no gatherings when I come." Under grace we give, and do not pay, the tithe - "Abraham GAVE a tenth part of all" - Abraham GAVE the tenth part of the spoils" - Hebrews 7:2-4 - and this was four hundred years before the law and is confirmed in the New Testament; Jesus said concerning the tithe, "These ye ought to have done" - Matthew 23:23.

We are commanded to bring the tithe into the common treasury of the church. Leviticus 27:30. "The tithe is the Lord's."

Malachi 3:10. "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

In the New Testament the storehouse was the common treasury of the church.

Acts 4:34, 35, 37. "And brought the prices of the things that were sold and laid them down at the apostles' feet ...Having land, sold it, and brought the money, and laid it at the apostles' feet."

## **SECTION 21: MARRIAGE, GENDER, AND SEXUALITY**

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one male as born at birth and one female as born at birth in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.)

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a male as born at birth and a female as born at birth.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that in order to preserve the function and integrity of Arlington Baptist University as an institution proclaiming biblical truth, and in order to provide a biblical role model to the college's students and its community, it is imperative that all persons employed by Arlington Baptist University in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Arlington Baptist University

### **Final Authority for Matters of Belief and Conduct**

The university's *Articles of Faith* do not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe.

Though all faculty and staff affirm their agreement with these statements of faith, changing societal values may make further clarification or addendums necessary to ensure our support of biblical truth. For purposes of Arlington Baptist University's faith, doctrine, practice, policy, and discipline, our Board of Directors is the college's final interpretive authority on the Bible's meaning and application.

## PAYMENT OF ACCOUNT

All charges are due and payable at the time of registration. The University will accept cash, check, and money order, MasterCard, Visa, American Express, or Discover for payment of account. All accounts must be paid in full before a student can take final exams, receive grade reports, copies of official transcripts, register for the next semester, graduate, or participate in commencement exercises. Students must remain current with payments to enjoy the privileges of attending class and the use of university facilities.

## **FINANCIAL REGISTRATION POLICY AND PROCEDURE**

What is financial registration?

- When ABU determines how much money a student owes ABU when registering for classes (and living in a dorm, etc.) during a given semester.
- When the student decides how to pay the money owed to ABU for a given semester.
- When the student makes the required initial payment when the initial payment is due.
- When the student's academic enrollment is approved, and the student can attend classes (and live in the dorm, etc.)

When is the initial payment due?

- Financial registration must be completed, and the initial payment made on or before the last day of regular registration for a given semester.

What happens when a student does not complete financial registration?

- ABU takes the position that the student has decided not to attend and cancels the student's academic enrollment (also requires the student to move out of the dorm, etc.)
- The student can reregister (a late registration fee will be charged) but is not guaranteed the same classes or schedule.
- The student will have to make the necessary payment arrangements and pay the initial payment by the end of the day when reregistration is done.

What are the payment options available?

- Cash, check, or credit card can be used to pay in person at the business office.
- Credit card payments can be made over the phone by calling the business office.
- PayPal payments can be made by logging into the student portal.
- Payment plans are available to spread out the payments over a semester.
- Federal Student Aid is available for those who qualify.
- Scholarships are available for those who apply and qualify.

What is required for Federal Student Aid?

- A FAFSA application must be completed and submitted to the U.S. Department of Education
- If the DOE requires verifications, those verifications must be completed.
- For a pending award to be applied to a student's account, the FAFSA must be submitted at least 1 week before registration and required verifications must be in progress.
- Once verifications are complete, the student must approve the aid that is awarded within 1 week after the approval is requested.
- Once the student approves, the award will be applied to the student's account.

What if a student changes his/her mind about using Federal Student Aid as a payment option?

- The day the student chooses not to approve and receive the Federal Student Aid award, the pending award will be removed from the student's account.
- The total balance will become due immediately and payable that day.
- If the student chooses to not make the payment that is due, ABU will take the position that the student has decided to voluntarily withdraw from his/her classes (and move out of the dorm, etc.).
- The student will be blocked from classes (and requested to move out of the dorm) unless or until an agreed upon payment arrangement is made with the business office

What happens if a student fails to make timely payments on a payment plan?

- The first time a payment is not received by a due date, the student will be charged a late fee.
- If the payment that is late is not received by the next due date, then the student will be given a chance to "catch up" by making a double payment.
- If the student does not "catch up" by the next due date, ABU will take the position that the student has decided to voluntarily withdraw from his/her classes (and move out of the dorm, etc.).
- The student will be blocked from classes (and requested to move out of the dorm) unless or until an agreed upon payment arrangement is made with the business office.

## **BUDGET PLAN**

The University strongly recommends that the student make advance preparations for financial aid prior to initiation of the registration process. Financial assistance is available in the form of Pell Grants, Stafford Loans, Student Supplemental Loans, or Parents PLUS Loans. Contact the College Business Office for details and advising on the various options.

## METHOD OF APPLYING PAYMENTS AND CREDITS

No adjustments for loans, scholarships, grants, or other assistance will be made until the University receives those funds. University-sponsored aid will be deducted at the end of the semester in which the aid is earned.

## DISBURSEMENT/REIMBURSEMENT

### Payment of Student Credit Balance Policy of Arlington Baptist University

#### Federal Student Aid Credit Balances

- By definition of the U.S. Department of Education, a Federal Student Aid Credit Balance only occurs if the total amount of FSA program funds credited to the student's account for a payment period exceeds allowable charges associated with that payment period. Allowable charges include tuition, fees, room & board, eBooks online, and prior year charges up to \$200.
- If FSA disbursements to the student's account create an FSA credit balance, the credit balance is required to be paid to the student (or parent in the case when a PLUS Loan creates the credit balance) no later than 14 calendar days after:
  - The first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.
- To facilitate the timely payment of a student's credit balance, Arlington Baptist College requests that a student complete and return to the accounts receivable clerk:
  - An authorization form requesting the payment of the credit balance via direct deposit into the student's (or parent's) account and
  - A Direct Deposit form providing the banking information necessary to facilitate the payment
- The student (or parent) may elect to have the Federal Student Aid credit balance left on the student's account to pay for future college expenses incurred within the current academic year. However, if a Federal Student Aid credit balance remains on the student's account as of the end of the academic year, it will be paid to the student (or parent) by the end of the academic year via Direct Deposit (if the completed Direct Deposit form has been provided) or check.

#### All Other Credit Balances

- If after the calculation and disposition of the Federal Student Aid Credit Balance there remains a credit balance on the student's account, the payment of the remaining credit balance will be according to the following schedule:
  - A credit balance that results from the application of college sponsored aid (scholarships) will be recognized and paid at the end of the semester in which the aid is earned (per the current student catalog). This Credit Balance payment will be made no later than the last day of the semester via Direct Deposit (if the completed Direct Deposit form has been provided) or check.
  - A credit balance that results from any other source of payment including private student loans (Sallie Mae, Wells Fargo, etc.), churches, employers, individual donors, students, and/or parents, will be paid to the student as follows:
    - If the student has received Federal Student Aid in addition to other sources of payment, the credit balance will be paid no later than the day after the number of calendar days completed in the semester divided by the total number of calendar days (excluding scheduled breaks of 5 days or more) in the semester exceeds 60%.
    - If the student has not received Federal Student Aid, the credit balance will be paid:
      - no earlier than the first business day after the fourth week of the semester if the credit balance was created on or before that date.
      - will be paid the first business day after the credit balance was created if the credit balance is created after the fourth week of the semester.
- This type of credit balance may be carried forward to be applied to future college expenses until the student graduates or chooses not to continue to attend.

## REFUND SCHEDULE

Students who officially withdraw through the Registrar's Office will receive refunds of their charges from the day of registration according to the following schedule:

<b>FALL AND SPRING SEMESTERS</b>	<b>TUITION</b>	<b>SUMMER TERM</b>	<b>No Refund TUITION</b>
Within one week (Add/Drop Period)	100%	After four weeks	No Refund
Second through third week	50%	Within First Week	50%
Fourth week	25%	After First Week	No Refund

The minimum dormitory rent is based on dual occupancy and is non-refundable and will not be pro-rated.

The Tuition Refund policy for those in the online program can be found under the Online Program section.

No refunds will be made to students who do not file a departure permit with the Registrar's Office. Students participating in the government assistance programs will not receive refunds until their accounts are settled and funds designated for educational purposes have been refunded to the appropriate agency.

Request for student aid (grants and/or loans) will be submitted based on the total number of registered hours for the semester.

Disbursements/Reimbursements are normally made after the drop/add period of 30 days, but **students eligible for a reimbursement must complete a reimbursement request form by the Wednesday preceding eligible reimbursement.**

However, for students who need Block B (fall semester) or Block D (spring semester) to reach the reported full-time status (12 hours-undergraduate and 9 hours graduate) or part-time status (6 hours-undergraduate and graduate), **initial reimbursements will be based on the hours successfully begun during the first 30 (or 45) days of the semester.** After successfully completing the first two weeks of their Block B (fall) or Block D (spring) course(s), affected students may then become eligible for previously unearned reimbursements based on their fully realized status of full (12 hours-undergraduate and 9 hours graduate) or part-time (6 hours-undergraduate and graduate).

Please note that dropping a course may affect a student's financial aid eligibility. If 60% of the semester has not been completed, when a student drops (or is withdrawn from) a course and that reduction in hours alters the student's reported status, that student may become liable for previously credited moneys or ineligible for additional moneys as noted above. This could also alter future financial aid eligibility. [See "Satisfactory Academic Progress (SAP)" under "FINANCIAL SERVICES" Tab on our website.]

**If the student expects a reimbursement at the 30 or after the second week of the Block B (fall) or Block D (spring), the student must complete a new reimbursement request form in the business office by Wednesday of the given week.** Reimbursements are processed on Fridays and will be issued by direct deposit into the student's bank account on the following Tuesday. A voided check is required from the student's personal bank account as soon as possible to prevent delays in the student reimbursement process.

**Online students who do not log in to their online classes and/or complete any of their work during the first two weeks of classes may, by request of the instructor, be dropped from the course.** Should this occur, hours for that course will not count toward a student's standing as a full-time (*12 hours-undergraduate and 9 hours-graduate*) or part-time (*6 hours-undergraduate and graduate*) student. This could affect the student's financial aid for the semester as well as one's eligibility for organized sports or traveling groups. **It is imperative that students who are experiencing unusual circumstances communicate with their professors and/or the registrar's office regarding any delays in beginning their online course work.**

## FINANCIAL AID INFORMATION

---

Arlington Baptist University maintains a financial aid program for students who need additional funds to pay for their college education. It is the desire of the University administrators that no student be denied an education because of a lack of funds.

### ELIGIBILITY:

A student may establish eligibility for financial assistance by meeting the following established criteria.

1. Demonstrate a need for financial assistance determined by the following formula:  
Cost of Education.  
Minus amount paid by the student.  
Minus amount paid by the student's parents.  
Minus amount paid from other sources.  
Equals amount of financial assistance needed.
2. A formal disclosure of personal finances and parents' personal finances is required to qualify a student for assistance. The University will apply all eligible governmental funding as a direct payment to discharge the student's financial obligation to the University. Any University provided assistance the student qualifies for will be applied next and the two together shall not exceed total charges incurred. Funding from other sources will be applied only when received.
3. The student must maintain satisfactory academic progress in accordance with stated policy.
4. The student must enroll for at least a half-time course of study (6 credit hours-undergraduates and graduates). Some programs require full-time enrollment.
5. The student cannot be in default on any loan made from a student loan fund or a government loan program.
6. The student cannot owe a refund on grants paid under a government grant program.

7. The student cannot be in default on payments to another college or university.
8. Transfer students must furnish a financial aid transcript from previous schools.

## APPLICATION PROCEDURE

Unless otherwise indicated below, direct all inquiries for financial assistance to the University Business Office, Financial Aid Officer. The Business Office has applications for all University sponsored programs and for most government programs. Some states may make other assistance available. Inquire in a high school counselor's office.

Allow the financial aid program to work for you. A broad range of counseling services for financial assistance is available.

## **SATISFACTORY ACADEMIC PROGRESS (Updated May 2021)**

Arlington Baptist University requires a student to achieve a cumulative grade point average (CGPA) of 2.0 (C average) in order to graduate from any of the degree programs.

A student must demonstrate satisfactory academic progress toward the completion of the degree program in which the student is enrolled and pursuing in order to receive Title IV financial aid funds through the Pell Grant or Student Loan Programs and in order to receive veterans' benefits through the DVARO.

The Federal guidelines state that there must be both quantitative and qualitative standards established by the institution, which determine whether a student is progressing satisfactorily toward the completion of a degree program. The student has six years to complete a four-year program.

The student must successively complete 67% of the courses attempted each year in order to satisfy the quantitative standard. The qualitative standard is based on the cumulative grade point average achieved at the following increments:

<u>Undergraduates</u>		
(Based on <b>Attempted</b> Courses)		
<u>Cum. Attempted Hrs.</u>	<u>Cumulative GPA</u>	<u>Actually Completed</u>
0-32 Hours	1.00	67%
33-64 Hours	1.50	67%
65-above Hours	2.00	67%
<u>Graduate Students</u>		
0-36 Hours	3.00	67%

\*Arlington Baptist University reserves the right to deny any student access to financial aid if the student does not successfully complete any courses during a particular term (fall, spring, or summer) even if the student meets the quantitative and/or qualitative standards stated in the chart above. In this case, the student is not denied enrollment in future terms; however, the student will not be allowed to use financial aid through ABU until the student can show academic progress. This academic progress can be shown by completing course work at ABU or through another institution. Students may also be denied attendance and financial aid due to previous criminal activity. An exception to this policy of denying aid may be made in the case of a student who was dismissed for disciplinary reasons and who was issued grades of WP (withdraw passing) and/or WF (withdraw failing) in each course for the term in which he/she was dismissed.

If a student's cumulative grade point average (CGPA) falls below 2.0 (C average), the student will be advised to enroll for no more than 13 semester hours, and the student will be advised to maintain an outside work schedule of no more than 20 hours per week.

### **Failure to Maintain Satisfactory Academic Progress**

**Financial Aid Warning** - Students who fail to meet the cumulative grade point average and/or the successful completion of course standards will be placed on financial aid Warning status for their next semester of enrollment. A student on financial aid Warning will be eligible to receive financial aid. If the two standards are met at the end of the Warning semester, the Warning status will be removed. When students receive SAP Warnings, they can continue for one semester. These students will be sent a Warning letter at the end of the semester. If, at the end of the warning status, the student's cumulative GPA and percentage of courses passed does not meet the qualitative or the quantitative standard as stated on the SAP chart, the student will be placed on financial aid Probation.

**Financial Aid Probation** - Financial aid Probation occurs when the student does not meet the qualitative or quantitative standard as stated on the SAP chart for two consecutive semesters. The Director of Financial Aid also reserves the right, through professional judgment, to place a student on financial aid Probation. When placed on Probation status, students will not receive financial aid; this includes student loans, while on financial aid Probation. To regain eligibility, students must enroll at ABU or another college / university and successfully complete enough courses to meet the cumulative GPA requirement as stated on the SAP chart. **Before financial eligibility can be regained, the student must meet the qualitative and quantitative standard as stated on the SAP chart.** Students who are placed on Probation status lose Title IV

eligibility unless they file an appeal, and the appeal is approved. If the student is approved, the student is then on financial aid probation for one more semester or for the period of their academic plan. When this is accomplished, the student will be removed from financial aid Probation and therefore eligible for financial aid. Financial aid Probation is permanent, and the student **cannot** regain their eligibility once he/she has been placed on financial aid Probation for the third time. **STUDENTS ARE RESPONSIBLE FOR NOTIFYING THE OFFICE OF FINANCIAL AID WHEN THEY BELIEVE THEY HAVE REGAINED ELIGIBILITY FOR FINANCIAL ASSISTANCE**

### **Appeal Procedure**

Students placed on financial aid probation due to lack of satisfactory progress may appeal the denial of financial aid due to an unusual or extraordinary situation that affected the student's progression toward the successful completion of his or her program of study. The appeal must be submitted in writing to the Financial Aid office and must include supporting documentation to support the appeal. Appeals submitted without supporting documentation will be denied. The appeal must address why the student failed to make satisfactory academic progress, this includes, if applicable, the semester the student was placed on Probation, and what has changed in the student's situation that would allow the student to demonstrate satisfactory academic progress at the next evaluation. An appeal may be approved only if the Financial Aid office has determined that the student will be able to meet satisfactory academic progress standards after the subsequent semester. The Financial Aid office also has the option to develop an academic plan with the student that, if followed, will ensure the student is able to meet satisfactory academic progress standards by a specific point in time. The Financial Aid office will notify students in writing of the results within 30 business days after submitting all requested documentation. Students who successfully appeal their financial aid probation status **will still be placed on financial aid probation for one semester or in accordance with the student's academic plan**. ABU can require that a student on probation fulfill specific terms and conditions, such as taking a reduced course load or enrolling in specific courses. A student on financial aid probation may receive financial aid for one semester only. At the end of that semester, the student must meet ABU's satisfactory academic progress standards or the requirements of the established individual academic plan to maintain financial aid eligibility. Failure to do so will result in the student being placed on financial aid probation.

5. Any student placed on disciplinary probation is subject to forfeiting scholarship funds.
6. \*All general requirements for initial qualifications must be upheld.
7. This is a needs-based scholarship, tuition discount only. Amount awarded cannot exceed the amount of the billing statement after the financial aid is applied to the student's account.

**LOCAL CHURCH SCHOLARSHIPS.** Churches of the World Baptist Fellowship may supply scholarships. Eligibility and amounts are determined by the church. Students should inquire at a church for information.

**MARRIED COUPLE GRANT.** Arlington Baptist University recognizes that it is beneficial for the spouse to gain biblical and spiritual instruction; thus, this grant is an effort to encourage and afford the opportunity. The spouse of a student enrolled and charged for a regular program of study may be eligible for a university-sponsored tuition grant of up to 50% of tuition (effective fall 2010). This grant will be based on financial need. Any student who marries while currently enrolled must be in compliance with the University's marriage policy, as explained in the "Student Handbook," and must meet certain other criteria for eligibility. Students who are given permission to marry between the Fall and Spring semester of a school year are not eligible to apply for the spouse scholarship until each completes a minimum of 12 credit hours after marriage. The application and instructions for this grant may be obtained in the Business Office. The following criteria must be met:

- FAFSA must be completed for both parties – all financial aids funds will be applied first, and spousal grant will then be applied to remaining balance.
- Grants will apply to tuition only – each student is financially responsible for all other fees.

#### REFERRAL SCHOLARSHIP FOR CURRENT ABU STUDENTS (UP TO \$2,000 PER YEAR)

This scholarship is a tuition only scholarship offered to students currently enrolled at Arlington Baptist University. Current students can refer their friends and family members to ABU by filling out a New Student Referral Form. If the referred student enrolls full-time at ABU, both the current student and the new student will receive a \$1,000 scholarship for each semester they complete together. Initial recruitment must be made outside of a school sponsored recruitment effort and the name of the recruited student must be submitted to the recruitment office prior to the submission of application. The only limit to the number of \$1,000 scholarships that a recruiting student may receive is that a student's total ABU scholarships may not exceed the flat-rate tuition charges for a given semester. Both students will continue to receive this scholarship if they meet the following requirements:

1. Maintain a grade of "B" or above in Spiritual Formation.
2. Maintain a cumulative GPA of 2.5 or above. If one of the student's cumulative GPA should fall below a 2.5, both students become ineligible for scholarship funds until the deficient GPA is restored.
3. Be a full-time student (12 or more credit hours) for the entire semester.
4. If either student becomes subject to disciplinary action, the scholarship will be suspended for a minimum of one semester for both students. A request for reinstatement following disciplinary action will be considered on a case-by-case basis.
5. This scholarship will be awarded at the conclusion of the term based upon the successful completion of the requirements by both students.
6. Both students must return for this to apply to subsequent semesters.
7. \*All general requirements for initial qualifications must be upheld.
8. This is a needs-based scholarship, tuition discount only. Amount awarded cannot exceed the amount of the billing statement after the financial aid is applied to the student's account.

**TIMOTHY FELLOWSHIP SCHOLARSHIP** (updated for fall 2020). If a church sends a monthly support of at least \$400 to Arlington Baptist University, that church can select one full-time staff member to pursue a master's degree (MBATS) at ABU. This scholarship covers the tuition only and will be limited to 24 hours per year. The student will be responsible for any fees associated with the semester or course charge. These charges can include a registration fee and a per online course fee.

**WAYNE MARTIN CITIZENSHIP AWARD.** A cash award is made to two outstanding students in the graduating class based on conduct, attitude, character, manners, participation in campus activities, and local church ministry. Upon instructions by the sponsor, selections are made by the faculty.

**WAYNE MARTIN HONOR GRADUATE AWARD.** A cash award is made to the Valedictorian and the Salutatorian of the graduating class. All academic work must be completed by the end of the spring semester.

**WOMEN IN MINISTRY SCHOLARSHIP.** This scholarship wishes to recognize that women – both lay and professional – have a great part to play in ministry. Sometimes these women may hold positions and be in the public eye; however, sometimes these women may serve faithfully – yet behind the scenes. Regardless, the lady who receives this scholarship should be viewed as faithful, positive, trustworthy, consistent, diligent, and, above all, Christ-like. (Given in the Spring semester at the Awards Chapel. Must be applied for in the spring semester)

**WORD OF LIFE ACHIEVEMENT SCHOLARSHIP.** This scholarship is available for those who participate in the Word of Life Program and have achieved either the Steadfast Award or the Creative Discipleship Award. The scholarship is available for one year (\$500 per semester) and is applicable only for those enrolling for the first time at Arlington Baptist University.

A student completing a two-year program at Word of Life will receive a \$500 scholarship per semester for a maximum of 4 semesters.

\*Other requirements to qualify for these scholarships can be found on the university's website or upon request from the admissions office.

## **OTHER ASSISTANCE**

**STAFFORD LOANS/PLUS LOANS/SLS LOANS.** Students or parents may borrow funds for educational purposes from a participating lending institution. The government acts as guarantor to the loan; therefore, the student or parent needs no collateral. Interest is low and repayment depends on the type of loan.

**PELL GRANT.** The Federal Pell Grant is awarded to eligible undergraduate students who have not received a bachelor's degree and who have high documented financial need. The Pell Grant Processing Center calculates the student's eligibility from the Free Application for Federal Student Aid (FAFSA) completed, by the student, every academic year, based on the previous year's income tax information.

**TEACH GRANT.** Teacher Education Assistance for College and Higher Education Grants (TEACH) are awarded to eligible students who enroll in necessary coursework in teaching, who are sophomores that have submitted passing scores from the THEA test (or are enrolled in Master of Education courses), and who maintain a Cum GPA of 3.25. Awards provide up to \$4,000 per year (\$16,000 total for four-year programs) in grants to students who intend to *teach full-time in high-need subject areas for at least four years*

**VOCATIONAL REHABILITATION.** Students with disabilities may qualify for assistance from the Office of Vocational Rehabilitation. Contact the State Department of Education.

**VETERAN'S ASSISTANCE.** Veterans or their dependents may be eligible under one of the assistance programs currently available. Contact the Veterans Assistance Officer in the Financial Aid Office.

**GRIEVANCES.** Student grievances related to financial aid, billing, payment of account, and similar financial issues should be directed to the Financial Aid office of the college. Policy statements and procedures can be viewed in the [Consumer and Safety Report](#) and [Student Handbook](#) on the university's web site.

**GRIEVANCE POLICY.** Arlington Baptist University understands that misunderstandings and conflicts are often a part of life and community interaction. ABU encourages the resolution of student complaints through courteous, patient communication. Conflicts are best addressed at their lowest level, as close to the time of the incident as possible. Following the procedures listed in Matthew 18:15-17, an initial solution should be sought with regard to the person deemed guilty of an offense. If a resolution cannot be reached at that level, it may be addressed at a more formal level.

### **GREIVANCE PROCEDURES:**

**INFORMAL:** A student who has a complaint concerning ABU should first direct his/her questions to the person directly responsible for the perceived offense. If this does not resolve the matter, the student should seek Godly counsel that can help to objectively affirm the validity of their concern and assist in a timely resolution. If the student has made a reasonable attempt to resolve the problem with the person directly involved and is still not satisfied with the outcome of that informal process, a written complaint may be filed.

**FORMAL:** The formal grievance process requires written documentation. A formal grievance form is available through the office of the Vice-President of Student Affairs or the Academic Offices. The student will observe the following process:

1. A written complaint should be made to the immediate supervisor of the person against whom the complaint is made which explains the concern and describes the actions taken to resolve the conflict. If no resolution is reached, or the student has not received a satisfactory response from the supervisor within 10 working days of the submittal of the grievance form, then the student may proceed to the next step.
2. The student should complete the formal written grievance form and present it to the university administrator who has jurisdiction over the area or person involved. (If an administrator is a person involved in the initial conflict, the grievance should be filed with the President.) The administrator may deal with the issue themselves or confer with a university committee and/or staff to rule on the grievance. A ruling on the grievance will be determined within 30 days of the receipt of complaint as submitted to the administrator. The administrator will inform the complainant and those previously involved of the decision.
3. The complainant may appeal the decision of the university administrator and/or committee to the president of the university or the president's designee(s). Appeal to the president must be made within ten working days and include the previous university's grievance form, the ruling of step 2, and an explanation as to why the ruling is unsatisfactory. A ruling on the appeal to the president will be made within 15 days of filing of the appeal. Rulings made at this level are final within the institution if the President chooses to use a committee, it will

consist of at least three administrators and two faculty members, although the affected administrator may be allowed to present information, he/she will have no vote in the final outcome.

## **ADMISSIONS REQUIREMENTS**

Arlington Baptist University maintains an open admissions policy. This is in recognition of the fact that the Lord calls individuals from different backgrounds and levels of preparation. The University is interested in extending its services to anyone who has a sincere desire to prepare for service to the Lord. Admissions requirements and procedures for new freshmen, transfer, international, and returning students will be outlined in this section.

### **NEW FRESHMEN**

The admissions requirements listed below are intended to assist the University in helping the student determine goals and develop a college training program to fulfill those goals.

1. The applicant must profess Jesus Christ as his/her Savior and be an active church member.
2. The applicant must be at least 16 years of age.
3. The applicant's file will be reviewed for acceptance once the admissions office has received his/her application, application fee, admissions questionnaire & essay, and recommendation form.
4. The applicant must present evidence of completing a minimum of three years of English, two years of social studies, two years of mathematics, and one year of any science in high school.
5. The applicant must present an official high school transcript with a graduation date or a General Equivalency Diploma (GED). (Students, at least 16 years of age, who are working toward a high school diploma, or the GED will be given individual consideration for college credit enrollment.)
6. Applicants who earned dual credit in high school must present an official transcript from that college or university.
7. Only applicants with a cumulative "C" average or higher will be considered for admittance. (See possible exceptions below.)
8. Official scores from the American College Test (ACT) or the Scholastic Aptitude Test (SAT) are required for admission to Arlington Baptist University. ACT or SAT requirements will be waived for applicants age 25 and over.
9. The applicant must not be in default to any government sponsored program of education or assistance or to any educational institution.
10. The applicant must be willing to accept full responsibility for financial obligations to the University.
11. Careful completion of the application, payment of fees, and submission of transcripts are required of all applicants before being registered for classes. Students desiring campus residence must pay a room deposit fee.

12. **ON-CAMPUS RESIDENCE REQUIREMENTS.** All single students under the age of twenty-one are required to take a room in one of the residence halls unless they live with one of their parents, grandparents, or married siblings. Resident students must enroll for a minimum of two semester hours.
13. **MEDICAL / MEDICAL INSURANCE REQUIREMENTS.** All students must produce evidence of a recent basic physical and (unless the applicant is 22 years of age or older) he/she must turn in a record of a bacterial meningitis vaccination prior to enrollment. All students are encouraged to have hospitalization insurance upon enrollment.
14. **ORIENTATION.** To aid new students' successful adjustment to college life, orientation provides vital information about Arlington Baptist University's policies and procedures. New students receive explanations of the regulations of the University and advice on how to take advantage of its services. Orientation is offered at the beginning of the fall and spring semesters and is required of all new students, including transfer students. New students who enter during the summer and return in the fall must attend the fall orientation for new students. Failure to attend these sessions could delay the student's enrollment for a semester.
15. **PLACEMENT TESTS.** All beginning students are given a placement test in English and Math unless they have already completed transferable hours from another institution in one or more of these areas. Students making below the required scores will be required to enroll in remedial non-credit courses.

## **ADMISSION PROCEDURE**

Information about the University, as well as admission forms, is available by writing or calling the University. Forms are also available on the university website. As an applicant, all forms, correspondence, and phone calls should be directed to the Admissions Office. ([www.abu.edu](http://www.abu.edu))

A prospective student is encouraged to read the University Catalog. The Student Handbook and the Spiritual Formation Instructions provide additional information concerning requirements and responsibilities. Information from all three sources is available on the university website.

## **ACADEMIC POLICY AND PROCEDURES**

**POLICY:** To reasonably ensure the academic success of each student seeking admissions, the student's academic records (high school transcript and/or undergraduate transcript) and test scores will be evaluated prior to acceptance into the university. For students attending college for the first time, the student's graduation program, the cumulative grade point average, the credits completed in English, social studies, mathematics, and science, and the ACT or SAT scores (pre- and post-COVID) will be examined. For transfer students, the cumulative grade point average on the undergraduate transcript(s) will be evaluated.

### **PROCEDURES:**

#### **A. New Freshmen**

1. Examine the high school transcript for the following:
  - a. Cumulative grade point average of 2.00 or above on a 4.00 scale. (An exception may be considered based upon the program of study pursued by the student during high school. If accepted, the student would be placed on probationary status pending the successful completion of the first term of attendance.)
  - b. Sufficient credits by years: English (three or more years); social studies (two or more years; mathematics (two or more years); science (one or more years).
2. If the applicant is deficient in either of these areas, the V. P. of Academic Affairs is consulted. The student's ACT / SAT score(s) is reviewed and often the applicant is interviewed by the V. P. of Academic Affairs prior to a decision regarding admittance to the school.
3. Once a decision is made concerning the student's admittance, the student is notified by the admission's office. The student can appeal the decision through the V. P. of Academic Affairs.

#### **B. Transfer Students**

1. Examine the college/university transcript(s) of the transfer student for the cumulative grade point average of 2.00 or above on a 4.00 scale. (An exception may be considered based upon prior academic success in high school.)
2. Students who have taken less than 12 credit hours at another college/university must also provide an official high school transcript.
3. If the student's cumulative grade point average is below 2.00, the V. P. of Academic Affairs is consulted, and the transcript is reviewed by the academic office and often the student is interviewed.
4. If the student is allowed admittance, the student is required to take no more than 13 hours during the first term (full-time status). This will be communicated by the academic office.
5. Once the Satisfactory Academic Progress procedure is completed at the end of the term, and the student has met the qualitative and quantitative requirements for financial aid, the student will be able to increase his/her course load.

#### **C. International Students**

The previous academic requirements apply to international students, along with the following requirements:

1. All Official College Transcripts must be translated into US Academic Equivalency.
2. International students are required to submit TOEFL scores. The following minimum scores are required on the TOEFL IBT Test: Reading-22; Listening-22; Speaking-24; and Writing-24

## TRANSFER STUDENTS

Transfer students must meet all admissions requirements listed above other than presenting a high school transcript unless students have taken less than 12 credit hours. However, any student who attended another institution of higher learning must present an official transcript with his/her application. Credits earned at an accredited institution will be considered for transfer where programs and courses are compatible. Grades earned in courses must be at least "C" level or equivalent before credits can be transferred.

Students on academic probation at another college or university will be interviewed before being considered for admission. For transfer students having completed 30 college credit hours or more, ACT or SAT scores will not be required. Students applying for admission to the University who are planning to use VA benefits, must submit a Joint Service transcript. Even if no credits are expected to transfer, a Joint Service transcript must be included with the application for admission.

## INTERNATIONAL STUDENTS

Applicants who do not hold citizenship in the United States of America are welcome to apply to Arlington Baptist University. The admissions requirements as stated below must be fulfilled before an Acceptance letter and I-20 are sent to the applicant:

1. Applicants will be sent an application specific for international students upon request from the Admissions office.
2. The applicant must pay an application fee, complete the admissions questionnaire & essay, and submit a recommendation form.
3. International applicants must send an Official High School or Secondary Transcript that is translated into the English language.
4. All Official College Transcripts must be translated into US Academic Equivalency.
5. International students are required to submit TOEFL scores. Official scores must be mailed to Arlington Baptist University. Approval of scores slightly below these minimums must be approved by an enrollment committee. (See Academic Policy and Procedures under Admissions for required scores.)
6. The applicant must provide proof of a medical physical, meningitis shot, and tuberculosis test.
7. The applicant must provide a notarized Affidavit of Support. This proves to the University that if at any time the student cannot pay his/her bill, the person who signed the affidavit will be held financially responsible for the school bill.
8. International applicants must submit a \$5,000 deposit before they will be accepted to ABU. This deposit will go towards the student's school bill and is refundable if the student does not attend any classes. This deposit can be paid in installments, but the full amount must be collected before an Acceptance Letter will be sent.
9. The applicant must provide a copy of their passport page with the photo id.
10. If the applicant has a Permanent Resident Card, he/she must present a copy to the admissions office.
11. Proof of I-94 must be sent to the Admissions office upon the student's arrival into the US. **This document must be sent to ABU before the student can register for classes, but not before the Acceptance Letter and I-20 are sent.**

Once an international applicant has met the above requirements, his/her file will be reviewed for acceptance to the University. If the applicant is accepted, an Acceptance Letter and I-20 will be sent.

## RETURNING STUDENTS

Former students at Arlington Baptist University who have been out of school for three consecutive semesters must submit a new application with the appropriate application fee for re-admission. Additional requirements will be assessed on an individual basis.

## HOMESCHOOL STUDENTS

Any student who has received their high school diploma through a homeschool co-op or homeschool curriculum program must provide an official high school transcript and official scores of either the ACT or the SAT tests. Students that have an unofficial transcript will be evaluated on an individual basis based on provided documentation and tests scores from the ACT or SAT. All other admissions documents must be completed.

## ADDITIONAL ADMISSIONS INFORMATION

Information about the University is available on the ABU website or by writing or calling the University. Admissions forms are also available on the University website. As an applicant, all forms, correspondence, and phone calls should be directed to the Admissions Office (ext. 1773). ([www.abu.edu](http://www.abu.edu))

A prospective student is encouraged to read the University Catalog, Student Handbook, and Consumer Safety Policies. All of which provide additional information concerning requirements and responsibilities. Information from all three sources is available on the University website.

## **TRANSFER OF CREDIT POLICY**

### **Transfer Out Policy:**

Students can transfer credits to schools that are accredited by ABHE (Association for Biblical Higher Education) or that recognize ABHE accreditation. However, individual courses will be transferred based on how each course can be applied to the degree program chosen at that school.

Transferability is ultimately determined by the institution to which one hopes to transfer and should always be viewed as limited. Not only must the student earn at least a “C” for credits to transfer, but courses must be applicable to the program chosen by the student. Additionally, some schools will only accept credits from regionally accredited institutions and/or limit the percentage of courses that can be transferred in.

If a student is planning to attend ABU for only a limited time, it would be wise to check the “Transfer In” policy of the school to which one hopes to transfer. The registrar can also provide a list of some of the schools that readily accept credits from ABU. Currently, these include Criswell College, Dallas Baptist University, Texas State University – San Marcos, and Texas A&M – Commerce. (ABU entered into an **Articulation Agreement** with Texas A&M – Commerce beginning in fall 2016.

<http://www.tamuc.edu/admissions/oneStopShop/undergraduateAdmissions/transferAdmissions/articulationAgreements.aspx> )

### **Transfer In Policy:**

Any student who attended any other institution of higher learning must present an official transcript with his/her application. Credits earned at an accredited institution will be considered for transfer where programs and courses are compatible. Grades earned in courses must be at least “C” level or equivalent and the courses must be applicable to the program chosen by the student before credits can be transferred. Students on academic probation at another college or university will be interviewed before being considered for admission. Transfer students must meet all other admission requirements listed above.

Students applying for admission to the university who are planning to use VA benefits must submit a military transcript. Even if no credits are accepted, a military transcript must be included with the application for admission.

At this time, Arlington Baptist University’s only established articulation agreement is with Texas A&M – Commerce, however, the college has instituted scholarships for any student who completes a two-year program at either Jacksonville College (Jacksonville, TX) or any of the Word of Life Institutes (college). (See SCHOLARSHIPS)

**Policy for Validating Credits from Unaccredited Institutions.** *(The following criteria are also applicable to students in online programs.)*

The following criteria must be met:

- 1) A validation process which includes the following: a review of syllabi, faculty credentials, grading standards, and other relevant learning resources from the sending institution. (If not available online, the student must provide a catalog and course syllabi for courses being considered.) This process must be completed prior to the student’s enrollment in any course even if the student has received an unofficial transcript evaluation from the ABU Registrar’s office. Once the courses are validated then criteria 2) will be applied.
- 2) During the first semester at ABU, the student must complete a minimum of 12 credit hours with a 2.0 (or above) grade point average. The transfer hours will not be added to the student’s ABU transcript until all criteria are met.
- 3) Only credits with a grade of “C” or above that are applicable toward the degree program being pursued will be validated for transfer purposes.
- 4) Because of a long-standing history with Norris Bible Baptist Seminary (Fort Worth TX) and Louisiana Baptist University and Seminary (Shreveport LA), ABU will accept Bible/Theology and church ministry-related credits with a grade of “C” or above that are applicable toward the degree program being pursued. For other courses from these two institutions, the criteria in 1) will apply.

## **REGISTRATION INFORMATION**

---

Registration periods for each semester are included in the Academic Calendar. Students are required to consult with an academic advisor prior to formal registration to develop an appropriate degree plan and class schedule. All students must be advised each semester by their program coordinator, or an advisor approved by the program coordinator prior to registration. Students must be prepared to pay all required fees and satisfy enrollment requirements on the day of registration.

The SCHEDULE OF CLASSES for each semester will provide all the information relative to classes offered, day and time of classes, location, and instructor.

## **COURSE LOAD**

The normal full-time course load for undergraduates is 12 to 16 hours. Students who work are advised to reduce their course loads accordingly. Students must have the permission of the Academic Dean to register for more than 17 hours. (Full-time status for graduate students is 9 hours, and part-time status is 6 hours or less.)

## **ADD / DROP PERIOD**

Students are permitted to drop or add a class during the first calendar week of scheduled classes in a semester. This period is referred to as the ADD/DROP period. During this period, students do not need to process a change of schedule form. The procedure during this period would be for the student to contact his/her department chair or advisor to seek approval and guidance for this decision. Once the decision is reached, the necessary course changes will be processed through the Registrar's Office. A new statement will be generated, and the student will process this statement through the Business Office. During this period, no ADD/DROP fees are charged, and no grade (WP or WF) is issued.

## **CONCURRENT ENROLLMENT**

Those students who enroll at Arlington Baptist University and another college or university at the same time must obtain approval through the Registrar's office to ensure transfer of credits earned at the other educational institution. The requirements of course load outlined above apply to total number of credit hours in concurrent enrollments.

## **ADVANCED PLACEMENT (AP) SCORES**

Advanced Placement (AP) scores of three (3) or higher may be considered for college credit. (Contact the Registrar's Office for additional information.)

## **ENROLLMENT STATUS**

**REGULAR.** Undergraduate students who have registered for 12 or more credits in one of the University's programs will be considered enrolled on a regular status. Graduate students who have registered for 9 hours or more credits will also be considered enrolled on a regular basis.

**PROBATIONAL.** Students who are not making satisfactory progress toward a degree will be placed on academic probation. (See definition of satisfactory progress under financial aid section.) Students on this status will be limited to 12 semester hours. Students receiving VA educational benefits on this status will be reported to the Department of Veterans Affairs as making unsatisfactory progress.

**PROVISIONAL.** A student who has not completed all admissions requirements or paid required fees may be permitted to enroll on a provisional basis at the discretion of the administration. The requirements must be met before the end of the semester, or the work attempted in the semester will not be credited and further enrollment will not be allowed.

**NON-CREDIT.** Non-credit (institute) courses are available through distance education (correspondence).

**AUDIT.** A limited number of students may obtain approval through the Registrar's Office to audit a class. Audit students will not be permitted to take examinations, to receive grades, or to receive credit.

## **STUDENT RANK**

Freshman	Up to 32 completed credits
Sophomore	33-64 completed credits
Junior	65-96 completed credits
Senior	More than 96 completed credits
Graduating Senior	A graduating senior is a student who is enrolled in the final semester and who will complete all graduation requirements during that semester.

## **ACADEMIC INFORMATION**

---

### **GRADING SYSTEM**

Grade point average (GPA) is computed on the four-point scale. GPA is obtained by: (1) multiplying the credit hours of each course by the numerical value of the grade received for that course; (2) totaling the results for all courses taken; (3) dividing the sum by the total credits attempted. The scale of grades and interpretation of quality of work is as follows:

A - Excellent.....4	90-100%
B - Above Average.....3	80-89%
C - Average.....2	70-79%
D - Below Average..... 1	60-69%
F - Failure.....0	Below-59%
AU-Audit	WP-Withdrawal Pass
EX-Exempt	WF-Withdrawal Fail
I-Incomplete	Y-Grade deferred by instructor
NC-Non-Credit	
P - Pass	

Percentages are given as a guide only. Instructors will explain the grading policy in their individual course syllabi. Grades of I (Incomplete) must be updated within six weeks of the close of the semester to receive course credit; otherwise, the "I" will be changed to an "F".

## **METHOD OF CREDIT**

Classes at Arlington Baptist University meet for 16 weeks of instruction. The unit of credit is the semester hour and is based on the number of hours the class meets each week. A student must complete work at a minimum of "D" level (1.0 grade point) in order to be awarded credit. Students are advised, however, that "D" level work may be disallowed in prerequisite work and cannot be transferred.

## **DROPPING A COURSE**

Students are permitted to drop a class during the first calendar week of scheduled classes in a semester without any record of it being reflected on the transcript. This period is referred to as the ADD/DROP period. Students may drop a course by processing a Change of Schedule Form with the Registrar and paying the necessary fee. Approval must be obtained from the instructor. At the time of withdrawal, the student will be assigned a grade of "WP" if he/she is passing or a grade of "WF" if the student does not have a passing grade. The Change of Schedule Form must be turned in before the student reaches the maximum number of absences in the course or his/her grade will be an "WF". The last day to drop a class is noted by semester in the semester calendars. Beyond the tenth week of the semester, permission of the Academic Dean must be obtained also. Students should be advised that dropping a course may change enrollment status (possibly affecting financial aid). Additional information is available in the Consumer and Safety Document on our university website.

## **CANCELLATION OF A COURSE**

A course that enrolls fewer than six students may be cancelled at the discretion of the University.

## **COURSE NUMBERING**

Courses are identified by a departmental prefix and a four-digit sequence number. The first digit indicates the level of the course:

1000	Freshman Rank
2000	Sophomore Rank
3000	Junior Rank
4000	Senior Rank

The second digit indicates the number of credits designated for each course. The final two digits indicate the sequence of the course in the respective department.

## **REPORT OF GRADES**

A full report of grades is provided to the student by the Registrar within 10 days of the close of the semester. Inquiries about a grade should be directed first to the appropriate instructor. Only instructors may process grade changes where necessary.

## **TRANSCRIPTS**

The Registrar keeps on file the permanent record of all credits earned by each student. Transcripts are only issued upon receipt of a written request signed by the student, as well as a copy of a phot ID. Transcript request form and policies are located at [www.abu.edu](http://www.abu.edu) under the Academic tab. Faxed requests are honored in emergency situations. There is no charge for the first official transcript; however, a fee of \$5.00 is charged to issue each additional official transcript. College policy requires full payment of account prior to release of official transcripts.

## **HONORS PROGRAM**

Dean's List. Students must have a cumulative GPA of 3.5 or higher for at least 12 hours of work to be named to the Dean's List.

Honor Roll. A cumulative GPA of 3.0 or higher for at least 12 hours of work qualifies the student to be listed on the Honor Roll.

Honorable Mention. A student who performs at a GPA level of 3.0 or higher for one semester, but whose cumulative GPA is less than 3.0 will be eligible for an honorable mention list. The student's character and department are equally important considerations to earn these honors.

## REPEATING COURSES

A student may repeat a course for credit only if the grade received is below "C". No course may be repeated for credit more than once. (Certain performance courses may be repeated more than once.) When a student repeats a course and earns a grade of "C" or better, the new grade will stand in place of the previous performance. Both grades remain on the transcript, but only the most current grade is calculated in the GPA.

## CLASS ATTENDANCE POLICY (Updated June 2020)

Due to the new block schedule instituted Fall 2020, the class attendance policy for Arlington Baptist University has been updated. All faculty and students will be subject to this new policy.

### On Campus Courses

1. If a student is absent the first two class periods of any course, the student will be unofficially withdrawn from the course. (These two class periods would include the add/drop week.) A grade of WP (withdraw passing) would be assigned for that course.
2. A student must attend at least 75% of class time which means he/she cannot miss more than four classes. On the fifth absence (or partial absence) from class, the student will be unofficially withdrawn with a grade of WP (withdraw passing) or WF (withdraw failing) depending on the student's grade average in the class on the day of withdrawal.
3. Absences related to school-sponsored events will not be counted against the student. However, the student must still attend 75% of the course meetings minus the absences due to school sponsored events. These absences will be labeled as excused absences.

Excused Absences School-sponsored	Max absences that are not excused	Max Total Absences = Ex. Ab + Other Ab.	Withdrawn on
0	4	4	Absence #5
1	4	5	Absence #6
2	3	5	Absence #6
3	3	6	Absence #7
4	3	7	Absence #8
5	2	8	Absence #9

4. Each professor will determine tardy or partial absence policies, late work policy and due dates of assignments which will be clearly stated in the class syllabus and consistently enforced by the professor.

### Online Courses

1. If a student does not participate in and/or submit classwork or assignments during the **first week** of an online course, the student will be unofficially withdrawn from the course and assigned a grade of WP (withdraw passing). At any point during the block/term, the student is inactive for a two-week period, the student should be unofficially withdrawn from the course.
2. Each professor will determine tardy or partial absence policies, late work policy and due dates of assignments which will be clearly stated in the class syllabus and consistently enforced by the professor.

## ACADEMIC INTEGRITY POLICY

In accordance with biblical principles of honesty and integrity, Arlington Baptist University views any act of cheating or plagiarism as a serious offense. If any faculty member observes or suspects that plagiarism or cheating has occurred, he or she is obligated to address the instance and notify the Academic Affairs office of the situation.

Academic dishonesty includes, but is not limited to, the following:

- Turning in work done by another person as if it was your personal effort.
- Copying another student's homework, paper, test, or assignment.
- Copying from a source (books, internet, etc.) and not giving credit to the source. (Copyright Infringement)
- Copying and pasting from a website or document on the Internet. (Copyright Infringement)

- Working together with one or more persons on an assignment that is intended to be done by you alone.
- Copying or attempting to copy answers from the test of another student.
- Using notes, materials, or assistance on a test when the instructor has not given clear permission for their use.
- Communicating with another student during a test, quiz, or exam.
- Assisting or allowing someone to copy your work without the instructor's clear permission.
- Submitting, without explicit permission from the current instructor(s), materials written for a previous or concurrent class.
- **Accessing another student's online course(s) from any semester/term, with or without that student's approval while registered for that course will be viewed as a deliberate and premeditated action and will be treated as a double offence resulting in an automatic failure of that course in accordance with step 2 below. If the student has already received a warning or it involves more than one course, this infraction could result in dismissal from school.**

The consequences for academic dishonesty may be applied at three levels:

1. When a student violates the Academic Integrity Policy, Faculty will contact the Academic Dean to see if this may be viewed as inadvertent. **Only "inadvertent" violations will receive the minimum. If the student has completed English Composition I or II at ABU or has taken an online course in two semesters, the infraction will not be viewed as inadvertent. The minimum consequences are to be understood as follows:**
  - a. **An on-campus student whose violation seems inadvertent** may, at the discretion of the instructor, be given a variety of **penalties up to and including a zero** for the work submitted. If, based on their current grade, the penalty does not prevent the student from passing the course, the student will be allowed to continue. However, the **student must also attend an Academic Integrity (AI) training session**. Said student should not be allowed to participate in class activities until an AI training session has been scheduled with the University Librarian who will provide an admittance note. When the AI training is completed, the student **must first show the appropriate faculty member a signed certificate of completion and then submit the certificate to the Academic Affairs office before a passing grade can be submitted or posted.**
  - b. **An online-only student or a student whose first inadvertent violation occurs in an online course** may, at the discretion of the instructor, be allowed to continue the course. However, the student **will be given a zero for the work submitted** and must first **retake and pass the plagiarism quiz** before any further work can be submitted. The student must also **submit to their instructor a one-page paper indicating why the noted action(s) violated our Academic Integrity Policy before a passing grade can be given or posted.** (*The minimum penalty in the online course is more severe because the student has already taken a plagiarism quiz and affirmed an understanding of the process.*)
2. An instance of intentional academic dishonesty or subsequent violation in the same course or a second course will result in the student's dismissal from the course and a failing grade for that course. If an extreme abuse occurs, the faculty or administration may recommend that the student appear before the Academic Affairs Committee to give reason why the student should not be suspended or dismissed from school.
3. A third offense, any pattern of academic dishonesty, or a clearly egregious violation (such as willfully assisting or encouraging another student to violate the Academic Integrity Policy) will result in course failure and required appearance before the Academic Affairs Committee to determine if possible, suspension or dismissal is appropriate.

## OFFICIAL AND UNOFFICIAL WITHDRAWAL POLICY

### OFFICIAL WITHDRAWAL

#### POLICY:

To ensure an honorable and official withdrawal from the University prior to completion of the semester, a student must initiate the withdrawal in the Registrar's Office. The withdrawal permit, approved by the Registrar, must then be submitted to the Financial Aid Office for calculation of Refund to Title IV. After the calculation, remaining federal funds may not cover all unpaid institutional charges due to the University upon a student's withdrawal. The student will receive a grade of "W", indicating withdrawn, for each class the student is passing at the time of withdrawal.

#### PROCEDURE:

The student initiates the withdrawal by completing a withdrawal form obtained from the Registrar's Office. The student submits the form to the appropriate faculty for approval and a signature then returns the form to the Registrar's Office. After the form is processed a copy of the form is submitted to the financial aid office and a copy is placed in the student's file.

## **UNOFFICIAL WITHDRAWAL**

### **POLICY:**

Once a student has exceeded the number of allowable absences (unexcused + excused) in an on-campus course, an unofficial withdrawal should be initiated by the professor. In the case of online courses, if a student has no activity during the first two weeks of the course or if there is any two-week period during the eight-week course that the student has no activity, the student will be unofficially withdrawn from the course. Anytime an unofficial withdrawal occurs, the result is a reduction of semester hours which can result in a change of status for financial aid (full-time to part-time, etc.). \*\*The student may receive a withdraw passing (WP) grade, after he/she exceeds the absences allowed if the student is indeed passing the course. When the student has exceeded the allowed absences and is not passing the course, he/she will receive a withdraw-failing (WF) grade. For online courses, if the student is withdrawn after the first two weeks due to no activity, the student will receive a grade of WP; however, if, after the first two weeks the student is inactive for another two-week period, the student will receive a grade of WP or WF depending upon the academic status at the time of withdrawal. Students may also receive an unofficial withdrawal from a course if during the course, the instructor determines that the student has not and will not be able to complete sufficient assignments / exams to pass the course. Also figured into this will be the points deducted for excessive absences as outlined in the individual courses.

### **PROCEDURE:**

The procedure for unofficial withdrawals will be as follows: the professor of the course will notify the student that he/she is being unofficially withdrawn from the course and specify the reason. The professor will complete the unofficial withdrawal form and submit the form to the Registrar who will submit the form to the Financial Aid Office. IF at the time of the unofficial withdrawal, we have not reached the 60% mark, the Financial Aid Officer will process a Return to Title IV form and return the required portion of the student's financial aid to the Federal Government. If a required portion of the student's financial aid is returned to the Federal Government, the student will then become responsible for this amount in addition to any amount not originally covered by financial aid funds.

## **WITHDRAWAL FROM INDIVIDUAL COURSES**

Please see page 29 in this document for details on **OFFICIAL and UNOFFICIAL withdrawal** policies and procedures.

## **WITHDRAWAL FROM THE UNIVERSITY**

To ensure honorable withdrawal, a student must submit a withdrawal form (Departure Form) to the Registrar's Office. The student will receive a grade of "WP" for each course he/she is passing at the time of withdrawal. Any student who withdraws from the university is still obligated to fulfill all financial responsibilities including payment of tuition, room / board, library fees, bookstore fees, etc. (Departure forms in Registrar's Office.) Additional Information is available in the [Consumer and Safety Document](#) and [Student Handbook](#) on the university website.

## **DISMISSAL FROM THE UNIVERSITY**

Administrative withdrawals or dismissals may be executed for academic or disciplinary reasons. Withdrawal / dismissal forms (Departure Forms) may be obtained in the Registrar's Office. Due to the serious nature of a dismissal, the student automatically receives a grade of "F" for all courses for the semester in which the infraction occurred. Students who are dismissed must apply for readmission before any further enrollment is allowed. The decision to readmit will be made on an individual basis. Any student who receives an administrative withdrawal or dismissal is still obligated to fulfill all financial responsibilities including payment of tuition, room / board, library fees, bookstore fees, etc.

## **STUDENT PRIVACY ACT**

Arlington Baptist University abides by the Family Educational Rights and Privacy Act (FERPA) of 1974 (20 U.S.C. 1232g; 34 CFR Part 99) which is a federal law that protects the privacy of student records. Education records are those records, files, documents, and other materials which 1) contain information directly related to a student; and 2) are maintained by an educational institution. FERPA applies to all schools that receive funds under an applicable program of the U.S. Department of Education. The act requires the University to provide student access to official records directly related to the student and to provide an opportunity for a hearing to challenge the accuracy of records; although, this right does not include the right to challenge the appropriateness of a grade as determined by an instructor. The act generally allows the University to disclose education records or personally identifiable information from education records in the following circumstances: with written consent of the student, if the disclosure meets one of the statutory exemptions, or if the disclosure is directory information and the student has not placed a hold on release of directory information. Students are provided this information in detail at registration.

<http://www2.ed.gov/policy/gen/reg/ferpa/index.html>

**GRIEVANCES.** Student grievances related to records, grades, faculty, courses, and other academic issues should be directed to the vice-president of academic affairs. Policy statements and procedures can be viewed in the [Consumer and Safety Report](#) and [Student Handbook](#) on the college web site. (Refer to page 27 for Grievance Policy and Procedures.)

## DISABILITIES AND ACCOMMODATIONS

In accordance with the Americans with Disability Act, Arlington Baptist University recognizes the need to provide accessibility service and special needs for any student with documented disabilities and has established policy and procedures for required accommodations. The University's nondiscriminatory policy affirms its concern and respect for those individuals with specific physical and cognitive needs. The disabilities services and accommodation policy are published in the student handbook, as well as on the college website under the Consumer and Safety Policies.

**Arlington Baptist University's nondiscriminatory policy affirms the University's concern and respect for those individuals with specific physical and cognitive needs. This policy is published in both the university catalog, the student handbook and on the school's website at <https://www.abu.edu>**

**POLICIES AND PROCEDURES – STUDENT DISABILITY ACCOMMODATIONS.** Any student in need of disability services should contact the Academic Affairs office prior to or upon enrollment to establish appropriate accommodations for any documented disabilities. Upon notification of a potential need, the student will be provided a *Disability Service: Accommodation Request Form* which is to be completed by the student and/or guardian and returned to the university so that proper procedures may be followed and documented.

1. Students with a documented disability should obtain, complete, and submit a **Disability Service: Accommodation Request Form along with any pertinent documentation.**
2. Once a *Disability Service: Accommodation Request Form* has been submitted to the Academic Affairs Office, documentation will be reviewed, and a conversation will be held between the Academic Affairs office and the student / guardian to further clarify the type and extent of the disability and determine the nature of the needed accommodation.
5. Once the needed accommodations (academic or physical) for the student's particular situation is determined, the student's professors will be given written notification of the procedures to be followed. (If there are physical accommodations needed, these will be implemented within the first week of classes.)
6. All material regarding the documented disability and accommodations are kept confidential but will be placed in the student's permanent file to help ensure ongoing assistance.
7. Should the student / guardian feel that the accommodations are not appropriate or are not being followed, they are to contact the Academic Affairs Office. While most informal complaints can be resolved by communication between the Academic Affairs Office and the student / guardian, if the follow-up action of the Academic Affairs Office is not satisfactory, and/or the student/guardian feels that the University is refusing to make the appropriate accommodations, a formal complaint may be filed in accordance with the STUDENT COMPLAINTS AND GRIEVANCES policy as published in the student handbook.
8. Once a formal complaint has been submitted to the University, an Academic Affairs Committee meeting will be scheduled within one week of the complaint. The goal of this meeting will be to determine the appropriateness of the accommodations, whether or not the agreed accommodations were provided, and if the University needs to make additional adjustments to help meet the needs of the student.
9. The student and/or guardian will be informed of the committee's findings and if still dissatisfied may contact the United States Department of Education, Office for Civil Rights at 1999 Bryan Street, Suite 1620, Dallas, TX 75201-6810.

Any student in need of disability services should contact the 504 Coordinator and/or the Academic Affairs office prior to or upon enrollment to establish appropriate accommodations for any documented disabilities. Address:

## GRADUATION REQUIREMENTS

---

To assure that all requirements for graduation are properly met, students are required to formulate a Degree Plan with their advisors in their junior year. The degree plan is filed with the Registrar. Changes in plans may be approved only by the Academic Dean.

The following requirements (affirmed by faculty Fall 2021) must be met to receive a degree:

1. Complete the prescribed program and major(s) in which a student is enrolled with a 2.0 GPA.
2. Complete a minimum of 128 hours with 30 hours in residence and the last 24 hours in residence.
3. Complete all required Spiritual Formation assignments.
4. Pass a test on the University's Articles of Faith.
5. Demonstrate the caliber of character expected from a Christian whose life is conformed to biblical standards.

6. File a degree application with the Registrar during registration of the semester when requirements are expected to be met.
7. Meet all financial obligations.
8. Participate in commencement exercises. Exceptions require approval of the Academic Dean. Students who have six (6) or less hours to be completed in their degree program may be permitted to participate in commencement exercises.

## CATALOG OF GRADUATION

A student will graduate under the catalog requirements in force at the time of initial enrollment. However, a student may choose to graduate under an updated plan. A returning student, whose enrollment was interrupted by three (3) or more consecutive semesters, will be required to graduate under the current catalog.

## GRADUATION WITH HONORS

The following honors will be conferred on qualifying students:

With Praise - GPA 3.25-3.49

With High Praise - GPA 3.5-3.74

With Highest Praise - GPA of 3.75 or higher

Salutatorian: The student compiling the second highest GPA.

(Note: Beginning Spring 2021, in the event there are two or more students with the same highest GPA, no Salutatorian will be chosen.)

Valedictorian: The student compiling the highest GPA.

Honor graduates must also meet the following requirements:

1. Have transferred not more than 64 hours from another college.
2. Be enrolled for at least 12 hours each semester at Arlington Baptist University
3.
  - a.) Exceptions may be made for last semester of attendance prior to graduation.
  - b.) Exceptions can also be made for students who began their ABU experience with limited credit courses prior to becoming a full-time student. If that student takes no more than 24 ABU semester hours before becoming a full-time student and then continues to take at least 12 hours per semester, except as allowed under 3. a., then he/she will be eligible for the honor designated by his/her cumulative GPA. (Rationale for amendment 3.b.: Currently, if a student tries out the ABU experience through limited enrollment, he/she would only be eligible for Honorable Mention at commencement. However, students may transfer in up to half of their course work from other institutions without any similar restriction.)
4. Not have any outstanding disciplinary action.
5. Cannot have had any "incomplete" ("I" or "Y") grades for any semester unless it was due to mitigating circumstances.

Students graduating with a GPA of 3.25 or higher, who do not meet the stated requirements, may receive the recognition of Honorable Mention.

## STUDENT LIFE / SERVICES

---

### Admissions/Recruitment/Retention

A major goal of ABU is to take the prospective student from the moment of inquiry through completion of a degree. Prospective students are guided through the process of admissions through constant contact via emails, text messages, and phone calls. The prospect receives an information packet that includes degrees offered, financial information, available scholarships, the financial aid process, and admissions requirements. Campus tours are available for all prospective students and their family. Students wishing to transfer in credits are provided a pre-admission degree audit aimed at maximizing their transfer hours. Retention has been improved through ongoing degree audits, information about new scholarships as they become available, and remote or face-to-face advising by the department chairs prior to each term.

### Financial Aid / Student Accounts

In person or virtual one-on-one counseling and advising by the office of student accounts and the financial aid office is available to all students. This advising includes assisting the students in setting up payment plans, explaining how scholarships are applied, providing information regarding financial aid opportunities, and in-person assistance with completing the financial aid application and requirements.

### Academic Guidance and Advising

Advising is available to students for academic work, registering, degree audits, and questions regarding the student's work. Most academic advising occurs as each student meets with his/her department chair or program advisor prior to enrolling in each term. Although academic advising is a primary task of department chairs, their guidance extends beyond the academic as students prepare for various ministry and vocational opportunities, and they will find other faculty to be a ready source of wisdom as well. For academic issues that extend beyond normal advising, students are encouraged to consult with the Academic Dean or the Registrar.

### International Student Services

The admissions officer serves as the PDSO (*Principal Designated School Official*) and provides international students with step-by-step procedures to address admissions requirements and processes. The PDSO enters the student into SEVIS (*Student Exchange Visitor Information System*) and monitors the student while enrolled at ABU.

### Disability Services

Disability services at ABU are handled by the Academic Office. When a student provides documentation of a need related to his/her disability, the V. P. of Academic Affairs collects the documentation, ensures proper paperwork is completed by the students, and communicates the student's need via email to all appropriate faculty. These faculty sign a document signifying receipt of the advised accommodations, and the students sign a document signifying they will inform the Academic Office if/when these accommodations are not properly administered. All paperwork related to disabilities are filed in the appropriate student file. Due to the age of the ABU facilities, some ADA requirements do not apply; however, if a student has a physical disability and cannot navigate stairs, provisions are made to meet this student's academic needs.

### VA Education Benefits / Veterans Affairs

Education benefits are available through the U. S. Department of Veteran's Affairs for service members, veterans, and their dependents to further their civilian education. After a student provides a letter from the VA which states the student is entitled to these benefits, and the student registers for the semester courses, the certifying official at ABU will certify the student through the VA website.

### Counseling

The Student Handbook provides information regarding counseling as it relates to drug and alcohol use / abuse. The professors who teach the counseling courses can provide guidance to students who need assistance beyond the classroom instruction.

### **Campus Employment / Job and Housing Placement**

ABU provides a limited number of student job opportunities. Students can apply in the main office for positions in maintenance and the library. Students are usually hired on a part-time basis as needed. Job placement and housing placement advising are available to students in the Administration Building. As off-campus jobs and housing become available and advertisements are presented to the main office, these are placed on the job board near the student mailboxes. General inquiries may be made to the Registrar.

### **Dormitory**

ABU provides two supervised residence halls (one for men and one for women) which can house 136 students in semi-private rooms housing two to four students per room. Two such rooms make up a suite sharing bath facilities. Each hall has wireless internet access, a lounge, vending machines, and a laundry facility.

### **Cafeteria**

Students who reside in one of the residence halls are provided a meal plan consisting of 10 meals per week while non-resident students may purchase individual meals or a meal plan through the business office. Our newly renovated cafeteria provides a pleasant atmosphere for socializing while eating or students have the option of takeout. (Because meals are not served on the weekend, students are allowed to have small appliances in their dorm rooms.)

### **Library**

Intellectual needs are addressed through rigorous academic course work and library facilities that include both on-campus resources and electronic data bases chosen to address the various areas of study. Recent improvements have been made to the internet and expanded technology resources have been added. (See Library Handbook.)

### **Chapel**

Chapel services are an important part of the campus life of Arlington Baptist University. Chapel provides a time of spiritual growth and renewal for both faculty, staff, and students. Speakers are scheduled who can provide spiritual encouragement, enlightenment, and motivation throughout the school year. Chapel is scheduled on Tuesday and Thursday of each week, and attendance is required of all students who attend classes on those days. Attendance by the entire campus family is greatly encouraged.

### **Praise Band**

A student-led band consisting of vocalists and instrumentalists lead worship at the beginning of each chapel service. Students are encouraged to participate in this ensemble which meets to practice at least one day per week.

### **Church Membership**

Students are strongly encouraged to maintain an active membership in a local church which goes beyond the weekly attendance that is a part of the student's spiritual formation. Students living in the area will be introduced to multiple local churches of like faith during the week of orientation, and students are expected to be joined to a church of like faith within the first six weeks of the semester. Students should seek a church in which they can both grow and serve.

### **Athletics**

Competitive sports are a major part of the student-life at ABU. Competitive sports include men's baseball, men's and women's basketball, women's volleyball, and men's and women's soccer. One objective of all the coaches is team building with the goal of building character beyond the competitive sport. All students are encouraged to support the teams by attending the games. Most games are free to faculty, staff, and ABU students.

### **Student Activities**

The student union building provides a place to study, watch television, play games, or simply hang out with friends. Bible studies and discipleship sessions are conducted in the student union building at least one evening per week. During the fall and spring terms, the student life director plans and promotes various activities that include ice hockey, intramural sports, collegian competitions, scavenger hunts, corn maze, and free refreshments at most activities. The gym is made available for all students a few nights per week for open gym.

### **Constitution Day and Citizenship Day**

In accordance with the United States Department of Education, and in partial fulfillment of Title IV and HEA programs, Arlington Baptist University will observe "Constitution Day" on September 17 of each year. In the event this date falls on a weekend, this special day will be observed the following Monday. Various activities will take place to both inform students and employees of the nature and purpose of this day and to celebrate "Constitution Day". Such activities include reciting fascinating facts about the Constitution, its founding, and its founders; presenting video series related to our American heritage and the biblical foundations of the Constitution; conducting a flag ceremony; recitation of the pledge and singing patriotic songs; identifying the author of famous quotes; providing patriotic tee shirts; and conducting contests related to the themes associated with Constitution Day.

### **Regulations**

A complete discussion of regulations governing student conduct is published in the Student Handbook (available online).

### **Grievances**

Student grievances related to housing and student activities, organizations, and programs should be directed to the vice-president of student affairs of the University. Policy statements and procedures can be viewed in the [Consumer and Safety Report](#) and [Student Handbook](#) on the college web site. (Refer to page 27 for Grievance Policy and Procedures.)

## **CAMPUS SAFETY AND SECURITY**

### Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Under the federal law entitled "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act," statistics regarding major crimes "reported" to campus security authorities must be published for the past three calendar years. A crime is "reported" when it is brought to the attention of a campus security authority or the local police. It is not necessary for the crime to have been investigated by the police or campus security, nor must a finding of guilt or responsibility be made. Information in this report was obtained from the files of the Office of Safety and Security, the Office of Student Affairs and the law enforcement agencies that surround our main campus & alternate sites. The reported crimes and relevant statistics are available in the office of the Dean of Students, as well as posted online at our website: <https://www.abu.edu>

When circumstances warrant, Crime Alert Notices are distributed to warn the ABU community of a crime or incident that poses a possible ongoing or continuous threat to campus safety. Warnings may also be utilized to notify the university community regarding campus or off-campus crime trends or incidents in order to encourage the use of safety precautions. These warnings will be disseminated by an authorized member of the administration office of Arlington Baptist University and disseminated in a timely manner.

Crime Alerts and other event-specific notifications that will be disseminated to the campus community include:

- Inclement Weather\*
- Hazardous Materials Incident
- Armed/Hostile Intruder
- Bomb/Explosives Threat
- Terrorist Incident
- Natural Disaster
- Structure Fires

Once verified, such notifications are to be released as soon as reasonably possible by means of text, email, and/or website. (\*Imminent danger from severe weather is announced by the sounding of a severe weather siren triggered by the city of Arlington. This system is tested one Wednesday per month.)

1. The first step when encountering a danger is to remove oneself from harm's way.
2. Any observed threat should be brought to the attention of Administration, Faculty, Dorm Parents, and/or Campus Security officer.
3. Notifications will be sent by text and email using our *Funnelmaker* program, and law enforcement personnel will be notified as necessary.
4. University closings due to inclement weather will be posted on our website and may be sent out by text or email.
5. It is the administration's responsibility to determine when and how such notifications are to be disseminated.

For more information regarding campus safety and security as related to Fire Safety, Missing Persons, and Sexual Offences please see the Student Handbook.

## **ALCOHOL AND DRUGS – POLICY AND PROCEDURES**

The University requires all members of its community (students, visitors, and staff) to refrain from the possession and/or use of alcoholic beverages and the illegal and improper possession and/or use of narcotics, drugs, and other controlled substances.

Although Arlington Baptist University has a policy forbidding the use of Alcohol, Drugs, or Tobacco on campus, no drug prevention policy will ever guarantee drug-free practice. Sadly, some will seek to test the limits. As of January 1, 2012, the University initiated a random drug-testing program as a means of protecting the campus community from the potential negative effects of illegal drugs. The administration reserves the right to request any student, visitor, or staff member to submit to a urinary drug test. A failed drug test or refusal to participate will result in disciplinary action. In addition, any student who is convicted of a criminal drug statute must notify the VP of Student Affairs no later than five days after such conviction.

Students who violate the University's Alcohol and Drug Policy will be referred to the Student Affairs Committee. After deliberation of a student's case, the committee may suspend the student from school for a period of time or expel the student permanently.

However, since the goal of our policies remains prevention not punishment, it is our responsibility to inform our students of not only the academic consequences regarding alcohol and drug abuse, but of the greater personal, familial, and societal consequences associated with such abuse. To this end, during at least one chapel each semester, time will be set aside to inform and/or address some aspect of the drug abuse issue by means of literature handout, informational packet, video presentation, or an informed and informative speaker. Those seeking help prior to discovery may be granted a measure of grace.

Furthermore, any member of the University community that is experiencing symptoms associated with their own or someone else's alcohol or drug use is encouraged to seek help. Available resources are listed below. Referrals can also be obtained through the Vice President of Student Affairs.

Drug issues involving students fall under the purview of the VP of Student Affairs. Student drug violations should be reported to his office, and students seeking assistance can also receive referrals to local counselors through his office.

1. Drug issues involving students should be reported to the VP of Student Affairs.
2. Those reporting an incident will be asked to help complete a **Drug Incident Form**.
3. The VP of Student Affairs will launch an investigation to discretely verify all reported information and identify all those involved.
4. Self-reported offences, where suspension or expulsion is deemed unnecessary, may be handled by the VP. of Student Affairs and reviewed by **Drug and Alcohol Prevention (DAP)** committee at their next meeting. (See information regarding the Biennial Review Committee.)
5. Infractions requiring suspension or expulsion will be immediately reviewed by the DAP committee before any announced consequences to ensure the best interests of the student and the consistent enforcement of administrative policy.
6. All students will be advised of the availability of counseling and of their right of appeal as further explained in the student handbook

For more information on Health Risks and Counseling, please refer to the Student Handbook.

## **CAMPUS DISCIPLINE**

Demerits will be issued for the following:

- Violation of the policies set forth in the Student Handbook
- Violation of the dress code
- Violation of dormitory rules
- Disrespect toward instructors, office personnel, dormitory supervisors, maintenance and food service supervisors

Students will be notified when demerits are issued through their ABU Student email. (See Student Handbook for details.)

### **DISCIPLINARY PROBATION**

Students involved in serious disciplinary action may be placed on probation. Any student returning from suspension will be placed on disciplinary probation for the remainder of the semester. This probation status indicates that the faculty has serious doubt that the student measures up to graduation requirements. A student in this classification will report at regular intervals to a designated member of the Student Affairs Committee.

It is understood that while a student is on probation, there is a question as to his/her eligibility to return the following semester. Therefore, it is his/her responsibility to prove his/her right to return by his/her conduct during the probationary period.

During the probationary period, individual restrictions may be imposed as the case warrants.

### **SUSPENSION / DISMISSAL / MANDATORY WITHDRAWAL**

A serious violation or excessive amounts of demerits may result in the student being suspended from the university for a specified time. (See the section on demerits.)

A student may be dismissed for serious violations of university regulations as determined by the Student Affairs Committee. When dismissed, a student must leave the campus within the time limit set by the Student Affairs Committee. The dismissed student will not be allowed to return to the campus except by permission from the Administration.

Frequently, a student in serious violation of university regulations will be allowed to withdraw from all courses (mandatory withdrawal) instead of being dismissed. Where a dismissal constitutes a grade of “F” in all courses, a withdrawal may result in a grade of “W” for the student’s courses for the semester in question.

### **RIGHT OF APPEAL**

In the case of a suspension, dismissal, or mandatory withdrawal, students have the option to appeal. If a suspension is appealed and the appeal is granted, the suspension will be reversed, but other consequences may be issued by the Student Affairs Committee. If the suspension appeal is not granted, the original terms of the suspension will go into effect.

If a dismissal or mandatory withdrawal is appealed and the appeal is not granted, the student will receive a dismissal for the semester in question. If this appeal is granted, other consequences may be issued by the Student Affairs Committee.

## **SPIRITUAL FORMATION (formerly Christian Service)**

---

The Spiritual Formation program is designed specifically to assist the student in learning, measuring and implementing personal spiritual disciplines and ministry skills. This program is instrumental in making the overall educational experience extremely practical for the student. The following sections serve as an introduction to the Spiritual Formation Program. As of the fall 2013 semester, students will earn one credit hour per semester for successfully completing the requirements for the Spiritual Formation Program. Students registered for at least four academic credit hours will also register for one hour of spiritual formation. Most matriculating students will complete eight hours of spiritual formation prior to graduation. Some exceptions will be made in the case of transfer students.

**MISSION STATEMENT:** The Spiritual Formation Program of Arlington Baptist University is a biblical-based course in which students are guided through spiritual discipleship to mature in personal spiritual formation, impact others through ministry and ultimately glorify God in all areas of their lives.

### **SPIRITUAL FORMATION PROGRAM GUIDELINES**

As enrolled students at ABU, they are a part of a Christian University. One major goal for each student is for them to develop in their relationship with Jesus Christ. There are two main elements to this process:

First, it is required that each student attend the weekly services of a local Church which would be in harmony with the doctrinal beliefs of ABU. A list of local churches will be provided at the beginning of the semester. Each student must submit the name of the local church they will be attending during the semester. This will be done through the Canvas portal for Spiritual Formation during the first six weeks of the semester. Second, it is required that each student spend time in worship and in-service helping people in some form. Therefore, it is required that each student spend at least one hour per week, or a total of 16 hours per semester doing volunteer service. This should be completed through a church. However, alternative options can be at a shelter, or some other type of Christian ministry.

### **SPIRITUAL FORMATION PROGRAM GOALS**

The Spiritual Formation Program of Arlington Baptist University will:

1. Encourage the student to discover and develop individual spiritual gifts, talents and skills for God’s glory.
2. Require the student to exercise spiritual personal disciplines necessary in building Christian character and ministry skills.
3. Provide the student with ample opportunities for serving others and meeting needs through local church involvement and personal ministry.
4. Evaluate and report personal progress of developing ministry skills and spiritual disciplines.

### **SPIRITUAL FORMATION PROGRAM OUTCOMES**

Upon completion of the Spiritual Formation Program of Arlington Baptist University, the student will be able to:

1. Give God the glory by expressing a Christ-like attitude when personal ministry produces fruit.
2. Define and explain spiritual gifts as they relate to the student’s personal ministry and to the student’s ministry in a local church.
3. Identify and meet the needs of others in the community and the local church through the use of ministry skills.
4. Readily volunteer for personal ministry in a wider variety of circumstances and opportunities.
5. Periodically evaluate and chart personal spiritual growth and development of ministry skills.

## **SPIRITUAL FORMATION COMPONENTS**

### **Weekly Discipleship Session:**

1. Each week the students will engage in a guided discipleship session which is biblically based and centered on topics of Christian growth.
2. The students will be able to present their weekly spiritual activities concerning areas such as church attendance, prayer life, and spiritual victories.
3. The students will answer questions that will demonstrate their engagement with the material provided for the week.

### **Community Volunteer Service:**

1. Each student will be encouraged to be actively serving with a community organization, local charity, local church, or campus opportunity where the student will be able to represent ABU and serve the community.
2. Each student is required to complete 16 hours a semester of community service with their chosen organization.
3. The Office of Student Life will provide many opportunities for volunteer service at various churches or organizations in the area.
4. The student will submit the *Volunteer Validation Form* no later than the final day of the semester. The form will convey the information whereby the student's volunteer service can be validated.

## **GRADING AND GRADUATION REQUIREMENTS**

Before a student can graduate, the student must earn a passing grade in Spiritual Formation for every semester. The student earning a failing grade must see the Spiritual Formation Director for make-up assignments.

Students failing a semester of Spiritual Formation are required to pay a \$30.00 makeup fee in conjunction with completing the required makeup assignment before a failing grade will be changed to a passing grade for that semester.

## **EXTRACURRICULAR STUDENTS AND THE SPIRITUAL FORMATION GRADE**

For students involved in extracurricular activities (class offices, impact teams, athletics, etc.), a minimum grade of "C" (70-79 points) in Spiritual Formation must be earned each semester. Failure to earn the minimum grade will require the student to complete a Spiritual Formation Probation Assignment before being allowed to participate the following semester in an extracurricular activity.

## **DEGREE PROGRAMS**

## **MUSIC PROGRAMS – GENERAL REQUIREMENTS**

The following information applies to all students interested in a degree in music.

### ENTRANCE AUDITION

Each student must pass an entrance audition before initial enrollment in the program. The student must select and perform from memory two selections of music of contrasting style.

### PROFICIENCY PLACEMENT EXAMS

Students must successfully complete proficiency exams administered by the department. Students having deficiencies will be required to do remedial work. Credit is not awarded for these proficiency exams. Students may be exempt from certain requirements upon successful completion of the exams.

### **Additional Requirements for the Music Education Degree**

#### COMPREHENSIVE EXIT BARRIER

To assure that the student is integrating course work in a correct manner, comprehensive exams will be administered orally in the junior and senior years. The exams will cover the areas of music history, theory, sight singing and ear training, conducting, and secondary piano. They are designed as additional preparation for the all-level music exam needed for certification.

#### RECITALS

A junior recital, MUA 3000, is performed by music students who have completed the 2000 level applied courses. All music students are required to attend departmental recitals.

#### JURIES

Students are tested on their applied proficiency in upper-level courses during final exam week by a jury composed of music faculty members.

#### ACCOMPANYING AND SONG LEADING

Capable keyboard students may be required to accompany performances or other functions at the discretion of the department, or they may be asked to supervise beginning keyboard instruction. Students may be required to lead congregational singing in Chapel or another departmentally approved function.

## **SCHOOL OF INTERDISCIPLINARY STUDIES**

**Program Rationale:** In a world where technology and information are expanding at an exponential rate, about 80% of students in the United States change their major at least once and only 27% of college graduates end up working in the field of their major. ABU's degree in Interdisciplinary Studies serves students in three ways:

1. It allows students to pursue distinctive or innovative combinations of course work in two similar or contrastive areas of study which include, but are not limited to business issues, communication, humanities, and ministry.
2. It allows students who feel the need to shift their area of concentration to do so without losing as many credit hours.
3. It provides both groups with the core courses and biblical ethics upon which to build their lives regardless of their area of future employment.

With this program, ABU's academic advisers can help customize degree plans to meet each student's unique gifts, talents, and continuing and/or changing interests.

### **GOALS**

1. To establish a Christian world view as a basis for meaningful interaction with the world at large.
2. To develop the ability to critically analyze and interact with other world views.

3. To equip students to effectively communicate to the 21st century world the eternal and timeless truth of Jesus Christ.
4. To provide foundational knowledge applicable to a variety of occupations and disciplines.
5. To allow for the development of interests unique to the individual learner that will enhance his ability to make a meaningful contribution to the world at large.

## OBJECTIVES

1. Explain the basic principles and practices of the Christian faith.
2. Articulate the underlying presuppositions of Christianity and various other ethical systems.
3. Integrate their system of faith with their practice.
4. Logically present facts and opinions regarding a number of subjects.
5. Show completion of a focused study of at least 18 hours in a single area outside of Bible.

## **BIBLE – INTERDISCIPLINARY STUDIES**

Students who are undecided about a career in vocational Christian ministries or who do not choose to pursue any of the ministerial majors, but who desire some training in Bible and related courses for church work and/or personal spiritual edification will be interested in this program.

The program exposes the student to the area of biblical studies while introducing a number of basic collegiate areas of study. Sunday school teachers, Sunday school superintendents, and other support staff personnel will find this program useful to their preparation. The program leads to a Bachelor of Science degree.

## SCHOOL OF MINISTRY

As of Fall 2020, all programs in the School of Ministry will be supervised by one program chair and will fall under the heading Ministry Leadership. The purpose of the programs / courses in this division is primarily to equip students for leadership positions in ministry conducted through the local New Testament church. This equipping involves exposing students to the principles of Scripture, giving them the tools for discovering such principles, and communicating them to others.

Theoretical knowledge and varied practical experience in the areas of human relationships, cultural differences, local church ministries, evangelism and missions are provided to develop or enhance the student's ministry skills.

### GOALS

1. To provide instruction that gives the student a broad biblical foundation specifically the knowledge and understanding of Bible doctrine, theology and Christian principles, as well as the skills to research and interpret the Scriptures and present them logically and confidently.
2. To familiarize students with a cross culture of people and to present methods and techniques whereby all people may be reached with the Gospel and discipled.
3. To equip students for a two-fold evangelism (salvation and discipleship) to the whole world with a special emphasis on missions and the local New Testament church.
4. To provide instruction and training in ministry practices of the pastor and the missionary. This would include church planting; overseeing its ministries, worship and ordinances; counseling and ministering to the congregation; and "rightly dividing the Word of truth" (II. Timothy 2:15b).

### OBJECTIVES

Graduates from this division should **be able to**:

1. Demonstrate the skills necessary for sound exegesis and interpretation of the English Bible and be able to preach and teach It, as well as the principles of Christian living.
2. Demonstrate their knowledge and understanding from a Baptist perspective, of the nature, history, and strategic importance of the local church in church planting, evangelism, and missionary activity in any culture.
3. Discuss in writing with support from a biblical perspective, his/her philosophy for organizing, building, and the administration of a local church in any culture, which will include worship, church ordinances, and various ministries such as meeting special needs of the congregation.
4. Demonstrate Christian ethics regarding the ministry of the pastor, missionary and entities, and/or individuals that are affiliates with one's ministry.

### **MINISTRY LEADERSHIP – Bible-Biblical Counseling Program (On-Campus and Online)**

This program, leading to a Bachelor of Science degree, will equip students for a biblical counseling ministry in the local church, and prepare them for entry into a master's level program in biblical counseling.

### PROGRAM OUTCOMES

The graduate who completes this program will **be able to**:

1. Articulate a philosophy of counseling that is rooted in the idea that Scripture is inspired by God and is sufficient to equip the man or woman of God for all matters pertaining to life and godliness. (2 Timothy 3:16, 17 and 2 Peter 1:1-3)
2. Offer counsel through the teaching of biblical truths as they are mined from the Scriptures through proper Bible study methods based on Psalm 1, 2 Timothy 2:15, and 2 Peter 1:20, 21.
3. Develop the idea that man's deepest problem is his rebellion against God and his desire to please himself at the expense of loving God and his neighbor (Romans 5:1-10 and Matthew 22:36-40) and man's greatest need to be reconciled to God through the finished work of Christ on the cross and to experience the regenerating power and indwelling presence of the Holy Spirit (2 Corinthians 5:17-21; Ephesians 1:1-14).

4. Develop a plan of action for the counselees that will enable them to grow into Christlikeness as they put off the old man, are renewed in the spirit of their mind, put on the new man, and train themselves in righteousness (Ephesians 4:22-24 and 2 Timothy 3:16, 17).
5. Present the idea of marriage from the teachings of both the Old and New Testaments with its many privileges and responsibilities for the husband (man) and the wife (woman) (Genesis 2:18-25; I Corinthians 7:1-5; Ephesians 5:21-33; I Peter 3:1-7).
6. Articulate the idea that man is both a material and immaterial being, created in God's image, for His glory. Physiology is a component that influences (but does not determine) a person's life, and therefore, counsel that is truly biblical will address the physiological (material) part of man along with the spiritual (immaterial) part of man.
7. Demonstrate that biblical counseling is most effective when it is done under the authority of the local church, or in close cooperation between the biblical counselor and the pastoral staff (Hebrews 13:17 and Ephesians 4:11-16).
8. **Demonstrate developmental progress in the five basic Student Goals as elaborated in the ABU catalog.**

**SPIRITUAL FORMATION AND DISTANCE EDUCATION**

As an enrolled student at ABU, they are a part of a Christian University. One major goal for each student is for them to develop in their relationship with Jesus Christ. There are two main elements to this process:

First, it is required that each student attend the weekly services of a local Church which is in harmony with the doctrinal beliefs of ABU. Each student must submit the name of the local church they will be attending during the semester. This will be done through the Canvas portal for Spiritual Formation during the first six weeks of the semester. If a student does not have a church they regularly attend, the Office of Student Affairs will work with the student to locate a positive church home.

Second, it is required that each student spend time in worship and in-service helping people in some form. Therefore, it is required that each student spend at least one hour per week, or a total of 16 hours per semester doing volunteer service. Ideally, this should be accomplished at a church. However, alternative options can be at a shelter, or some other type of Christian ministry.

The grade for this program will be comprised of the following components:

**Weekly Discipleship Session:**

1. The student will be able to present their weekly spiritual activities including areas such as church attendance, prayer life, and spiritual victories.
2. The student will answer questions that will demonstrate their engagement with the material provided for the week.

**Community Volunteer Service**

1. Each student will be encouraged to be actively serving with a community organization, local charity, local church, or campus opportunity where they will be able to represent ABU and serve the community.

2. Each student is required to complete 16 hours a semester of community service with their chosen organization.
3. The Office of Student Life can often provide a list of opportunities for volunteer service at various churches or organizations in the area.
4. The student will submit the *Volunteer Validation Form* no later than the final day of the semester. The form will convey the information needed to verify the student's service.

## **ONLINE EDUCATION**

The University began offering online courses in the summer of 2005. Courses are designed to maximize opportunities for students to collaborate and interact with the professor and other students. Our online courses offer the latest in course technology including streaming video and threaded discussions. Good computer skills and access to a PC that meets certain hardware and software requirements is required for enrollment.

Courses currently offered are categorized as Interdisciplinary Studies or Biblical Counseling. These courses are 100% online. On-campus students may take 100% online courses during the summer term or when the required course is offered online.

## **HISTORY**

This program, which results in a Bachelor of Science degree in Bible-Interdisciplinary Studies, is perfect for individuals who have some college education, but did not complete a degree. In addition to this program, in 2008, the college began offering a Bible-Biblical Counseling degree completion program online. Course delivery is 100% Internet so that students can continue to fulfill work and family responsibilities. All courses are offered in accelerated 8-week semesters, or "learning blocks."
