

Steps to Complete Financial Aid for 2017-2018

Step One: Complete a FAFSA

In order to receive Federal or Institutional (ABU) aid, all students must complete a FAFSA (Free Application for Federal Student Aid). The free website is <https://www.fafsa.ed.gov>. The school code is **014305**. You will have to create a PIN number which you will use every academic year that you complete a FAFSA. If you are a dependent student (under the age of 24) one of your parents will also need to create a PIN number.

Step Two: Signing the Master Promissory Note

If you plan on using Federal Loans you will need to complete the Master Promissory Note. Even though you have completed your FAFSA no funds will be disbursed until the MPN has been signed. You can complete the MPN at <https://studentloans.gov>. You will need your FAFSA PIN for the MPN.

Step Three: Complete the Entrance Counseling

If you have not previously received a Direct Loan or Federal Family Education Loan (FFEL), the Federal Government requires you to complete entrance counseling to ensure that you understand the responsibilities and obligations you are assuming.

If you are completing entrance counseling to borrow a loan as an undergraduate student, then the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans and Direct Unsubsidized Loans.

If you are completing entrance counseling to borrow a loan as a graduate or professional student, the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct PLUS Loans. Entrance counseling can be done at <https://studentloans.gov>.

Until all 3 steps are completed, no financial aid package will be disbursed for the student. For all further questions regarding financial aid, please see our website at www.abu.edu or call Cindy Treat at 817-987-1706.
