2018-2019 DEPENDENT VERIFICATION WORKSHEET

V1-

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact our financial aid administrator as soon as possible so that our financial aid will not be delayed.

C. Dependent Student's Income Information to Be Verified

- I. **TAX RETURN FILERS-Important Note:** If the student filed, or will file, an amended 2016 IRS tax return, the student must contact the financial aid administrator before completing this section.

Instructions: Complete this section if the student filed or will file a 2016 IRS income tax return. The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2016 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer. *If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.*

Check the box that applies:

- The student has used the IRS Data Retrieval Tool in FAFSA on the Web to transfer 2016 IRS income information into the FAFSA.
- The student has not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to retrieve and transfer 2016 IRS income information into the student's FAFSA once the student has filed a 2016 IRS tax return.
- The student is unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and the student will submit to the school a **2016 IRS tax return transcript-not** a photocopy of the income tax return.
To obtain an IRS tax return transcript go to www.IRS.gov and click "Get a Transcript" link under the Tools heading, or call 1-800-908-9946. Make sure you order the "IRS tax return transcript" and not the "IRS tax account transcript." It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper tax return filers. Contact the financial aid office if more information is needed about using the IRS DRT or obtaining an IRS Tax Return Transcript.
 - Check here if the student's IRS tax return transcript is provided.
