

New Student Referral Scholarship

If a new student initially recruited by a current student enrolls, both the new student and the recruiting student will receive a \$1000 scholarship for each semester they complete together. This scholarship will continue for as long as both are continuing, full-time students in good standing with a minimum 2.5 cumulative GPA.

If the cumulative GPA of either student drops below a 2.5, or either student becomes subject to disciplinary action, both scholarships will be suspended. If continuous enrollment of both is maintained and the deficient GPA is restored, the scholarship will be reinstated. If the suspension is a matter of student discipline, the scholarship will be lost for a minimum of one semester and a request for reinstatement following disciplinary action will be considered on a case by case basis.

The only limit to the number of \$1000 scholarships that a recruiting student may receive is that a student's total ABU scholarships may not exceed the flat-rate tuition charges for a given semester. This scholarship is available for up to two full-time semesters per school year.

Initial recruitment must be made outside of a school sponsored recruitment effort, and the name of the recruited student must be submitted to the recruitment office prior to the submission of Application.

A ***New Student Referral Form*** is available online or through the Admission's office.
